Western Leadership

Welcome, Welcome, Come On!

The greater your honesty the more sincere is the welcome and friendly cooperation.

Planned individual hypocrisy is our nation's greatest t o l e r a t e d enemy.

Education has a bigger job to do than to figure out schemes and techniques of operations, and then to record the results of these impetuses by a series of artificial "facts and figures tests."

Athletics, under the present day pressures, is quick to bring out faults and unscrupulous methods of our total educational living.

The Straight Line Principles aid in reducing deliberate confusion and thereby allow the best team to win.

We play this game of football to honestly determine the best, so that we may work for bigger and better aggressive human conduct.

We wish to extend a warm welcome and happy Homecoming to Western's returning grads. Welcome also to Coach Hildebrand and his Whitworth Pirates whom we have chosen for this game. We hope this will be a Homecoming you will remember with pleasure for years.

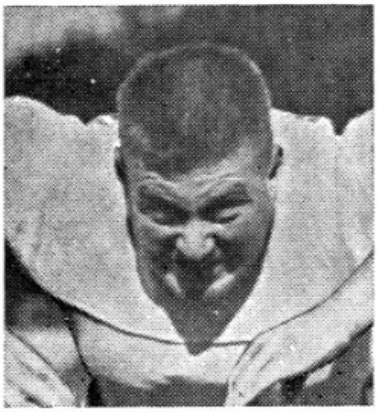

Speaking for the rest of the squad, "We are looking forward to our part in this Homecoming and can promise you plenty of clean, vicious football."

Whitworth Staff

HEAD FOOTBALL COACH BILL HILDEBRAND, replacing Aron Rempel now in the Air Force, was an All-American end at Mississippi State College and formerly a coach at Purdue and Tennessee. His coaching experience also includes two years as varsity end coach at Mississippi State.

During his college career at Mississippi State, Hildebrand was selected on the Associated Press All-Southeastern Conference football teams in 1944, 1945, and 1946. In his senior year he received All-American honorable mention and twice was selected to play in the annual North-South all-star game.

He has directed the single wing system at both Tennessee and Mississippi State. At Purdue he coached T-formation football.

LINE COACH SAM TAGUE played football at Whitworth in 1941 and after four years in the army he returned to play in 1947. He suffered a shoulder injury during that season and was unable to compete during his final two years. However, during his two seasons on the varsity team he was considered one of Whitworth's all-time top football stars.

END COACH BOB SCOTT, after playing freshman football at the University of Washington, transferred to Whitworth in 1948, and was soon recognized as one of the Evergreen loop's outstanding ends. His playing career ended late last season when he suffered a kidney injury in the E.W.C.E. conference game.
