The Pirate Mentors

In his first season with Whitworth College, head football coach Jim Lounsberry was faced with one of the largest grid turnouts in Pirate history.

Formerly with the University of Washington, Jim received his Master's degree and is working on completion of his Doctor's degree from the University. He is a graduate of Seattle's Queen Ann high school, and graduated from Central Washington college in 1941.

Jim coached successfully at Foster high school near Seattle for two years, and came highly recommended as freshman line coach at the University. Howie Odell, head Husky football coach, said, "Lounsberry is an excellent student of football and has the ability to teach young men, with real drive."

Line coach, Sam Tague, is a former Whitworth gridder, and is considered one of Whitworth's all-time top stars. Sam coaches baseball and intramural sports.

End coach, Sam Adams, is Whitworth's all-time pass receiving star. In his fourth year on the Whitworth squad Sam broke all small college records in pass receiving.

Half Time Entertainment

Today's halftime entertainment is featuring the Boy Scouts and the scouting program. You will see four boys taken through the steps necessary to becoming a Tenderfoot Scout. As a climax to the procedure, these four will become Tenderfoot Scouts in an official ceremony on the field.

Scouts at today's game have come from Colville, Chewelah, Cheney, Spokane Valley and the Spokane area. Directing the program is Mr. Dwight Thomas, Sales Manager of Pacific Telephone and Telegraph Co. in Spokane, and very active in Boy Scout work in this area.

Whitworth College salutes the Boy Scouts of America! Trained in the ideals of our country today, they become the leaders of our country tomorrow.

THE RECORDS SHOW—

That the post war era saw the first football competition between Western and Whitworth College. Up until today the Vikings hold the edge with five victories to the Pirates one.
