WAY BACK WHEN!

HI GRADS . . . WELCOME HOME

And if you haven't been back for some time, you'll note that some changes have been made.

But the hill you pounded up to eight o'clocks is just as tortuous as ever.

And over dishes of DARIGOLD ICE CREAM, romance is still blooming as it did in your undergraduate days.

How,

TO ALUMNI:

Homecoming last year according to many individuals was the most successful to date. The explanation of the new satisfaction was found largely in two innovations—the Coffee Hour in the Fountain Room and the Smorgasbord in Edens Hall. On both occasions faculty and alumni had a good time together as never before.

We shall do as well or better this year. The student committees and faculty consultants are to be commended for their excellent work in arranging all the features of the Homecoming of 1952.

The football game with Cheney is always a thrilling contest and this year's game should be no exception. And the Queen's Ball will be pleasant and a good place to exchange greetings and to talk over the game.

A warm welcome to Alumni!

W. W. HAGGARD,
President.

Grads!

WELCOME ALUMNI!

The door is always open! We have looked forward to your return. It is a real pleasure to have you share our 1952 Homecoming activities with us.

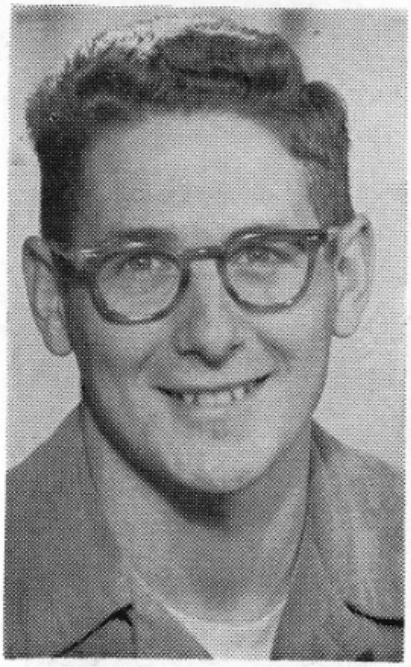

We sincerely hope this Homecoming will remain a part of other pleasant memories of past years at Western. So make yourselves at home, and enjoy a "Real Western Pow Wow" with us.

Yours sincerely,

RITA GOLDADE
BOB PORTER
Co-Chairmen

Whooping it up in true Indian fashion are Dr. W. W. Haggard, WWC president, and the Homecoming committee chairmen, Rita Goldade and Bob Porter. Dr. Haggard is out to shoot a few Eastern Savages, while Rita has her thoughts on the Pow-Wow and Bob has his eyes closed in anticipation of the scalping.

Many of us haven't seen our classmates in years. Our jobs are too demanding or the distance is so great that we almost forget them. During one time of the year we all have a chance to meet. It's Homecoming—a time set aside in the school year to welcome old grads back to see if the school has changed and to meet classmates some of us have not seen in years.

A number of students and faculty worked exceedingly hard to make Homecoming a success but if you, the returning alumni, enjoy it—all the work is worthwhile.

MARK HARDIE,
ASB President.

Western's Chiefs . . .

We are pleased to have Abe Poffenroth's Savages here as opponents for our 1952 Homecoming football game. Both Eastern and Western football squads will be out to win today's ball game. This exhibition of human conduct operating aggressively with a clear aim attracts the interests of both the spectator and the athlete.

Athletics, more clearly than most "part-method" educational procedures, brings to light man's eccentricities.

Throwing blocks, throwing tackles and throwing footballs is much more interesting than "throwing words." Let's not have so many "words" serve as substitutions for principal "action" either in our society or in our Homecoming football game.

Sportsmanship is playing the game according to the intent of the rules but let's play it "hard" for it is under this condition the "tests" are more easily read.

C. F. LAPPENBUSCH,
Coach.

On behalf of the members of the football team we would like to extend our sincere welcome to the members of the alumni who are attending this 1952 Homecoming. We will try our best to preserve the air of festivity which surrounds Homecoming by presenting you with a clean, hard football victory.

PETE MUIR and LARRY LOWRY,
Co-captains.

About the Eastern Savages

Eastern's team as a whole is young, the majority being freshmen, although there are 11 letterman back this year. Up to this time there have been two freshmen in the starting backfield and at least two in the line.

There are 45 men turning out for the 1952 squad. Eastern has had a lot of bad breaks this year but has profited from them and hopes to give Western a good fight.

The Coaching Staff

Coach Abe Poffenroth

A. H. (Abe) Poffenroth, Eastern coach since 1947 has experienced one of the worst years of his career in 1952.

Poffenroth, however, isn't grim. In 1947 his Savages halved the crown with Pacific Lutheran, and in 1948 and 1949 were co-champions with College of Puget Sound. In 1950 Poffenroth and the Savages blasted through the Evergreen for a clear title. After a record like that a little bad luck is expected.

★

Line Coach Cece West

Cece West came to Eastern in 1948 to join forces with Abe Poffenroth. In each of West's four years of play as a defensive guard he earned all-conference honors.

Trainer Edward J. Pillings

This year trainer Edward Pillings has had a big job, keeping 45 men taped and ready to go. Pillings is an ex-USC two sporter.

Assistant Line Coach Pat Hunt

An ex-Eastern footballer who returned this fall is Pat Hunt, class of '49.
