COACH JOHN HEINRICK

John Patrick Heinrick, a native Tacoman and popular Logger mentor, is the dean of Evergreen Conference coaches and is now beginning his 15th season as head football coach and athletic director at UPS.

Heinrick was elected to the National Association of Intercollegiate Coaches' Hall of Fame in 1957 and initiated into the Tacoma-Pierce County Sports Hall of Fame in 1959.

Although he graduated from the University of Washington in 1926, he played his college football at Central Washington where he captained the Wildcats in his senior season.

His successful coaching career was launched at Bellarmine, Tacoma's s m a l l e s t h i g h school. After amazing success there, he moved to Stadium in 1934. Taking over the head coaching job there in 1936, Heinrick guided his squad to two straight Cross-State titles and repeated in 1946.

His high school coaching career was climaxed in 1947, when he was chosen to lead an All-State team against an all-Seattle squad in the first annual Washington State High School All-Star Football Game. His Staters were 31-20 victors.

He moved to UPS as head football coach and athletic director in 1948, although he had been varsity basketball coach at UPS since 1945.

In 36 years of football coaching, Heinrick has never had a losing season.
