Eleventh Annual
SHRINE FOOTBALL GAME

W. W. State College Vikings
VS.
University of British Columbia

SATURDAY, SEPTEMBER 18, 1965

CIVIC FIELD

Sponsored by Northwest Shrine Club
and Skagit County Shrine Club

Dear Friends:

Again this year you are making possible the presentation of our annual football game, but more important . . . your support, and the generous support of the sponsors listed on the following pages of this program, assure continuance of contributions to the Shriners Hospitals for Crippled Children.

The youngster pictured at the top of this page is Johnny Graep, son of Mr. nd Mrs. Otto Graep, of RFD 1, Everson, who was sponsored by the Northwest Shrine Club in December, 1964, to the Shrine Hospital for Crippled Children in Spokane.

As a result of corrective surgery received there, Johnny (for the first time in his life) is now able to take a few steps. Coupled with his will to walk, Johnny's future has been brightened considerably.

We are sure that all of you share with the "Shrine" a great deal of pride in being associated in supporting such fine institutions, and it has been appropriately stated that, "No Man Stands so Straight as One Who Stoops to Help a Crippled Child."

This is particularly true in the case of supporters of the Shriners Hospitals for Crippled Children, where crippled bodies of unfortunate kiddies are restored without charge and regardless of race, color, or creed.

To the uniformed units of Nile Temple, the fine young players of Western's Vikings, the University of British Columbia Thunderbirds, and their respective coaches who participated in tonight's events, and to all others who have contributed so liberally of their time, talent, energy and money—
We are deeply grateful.

Sincerely,

Members of the Northwest Shrine Club

FACTS AND FIGURES . . . in the Operation of the Shriners Hospital for Crippled Children

The First Hospital was opened at Schreveport, Louisiana, September 16, 1922. Today there are nineteen — representing an investment of over $12,000,000.00.

Children under 14 whose parents are unable to pay for treatments—regardless of race, color or religion—are eligible for admittance. Over 250,000 Children Have Been Cured or Materially Helped.

WE URGE YOU TO PATRONIZE THE MERCHANTS SUPPORTING OUR SHRINE PROGRAM

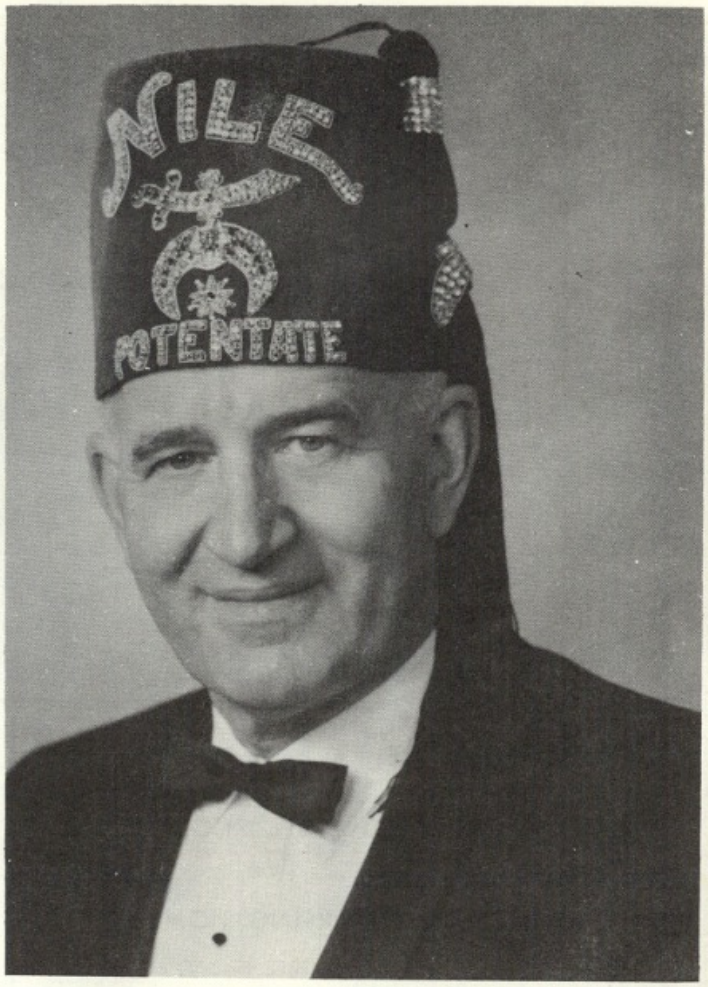

GREETINGS:

As Potentate of Nile Temple it is a distinct privilege for me to thank all of the fine young people in the Bellingham area for their continued support of the Annual Football Game sponsored by the Northwest Shrine Club in behalf of the Shriners Hospitals for Crippled Children.

This great philanthropy for the care of Crippled Children has recently been expanded so that it now embraces nineteen Crippled Children's Hospitals and three Burns Institutes. I know that as you watch this exciting game that you will have an added thrill in your heart from the thought that you are at the same time aiding some crippled child to walk and play again.

Sincerely,

W. E. PARKER,
Potentate.

President:
RUSSELL F. MARTINI

Vice-President & Football Game Chairman:
BILL L. JONES

Secretary-Treasurer:
CECIL OTLY and WARREN HELMS
