About Tonight's Game

Eastern opens the 1966 Evergreen Conference season tonight against cross-state rival Western Washington State. The Vikings' series against Eastern goes back to 1923 and Eastern has won 24 games to Western's 19. There has never been a tie.

Western has a new head coach this year, Fred Emerson, a 1959 graduate of Western where in 1958 he was a little-All-America halfback. He was head coach at Kent High School for six years and last year his team won the championship of the tough Puget Sound League.

Emerson's assistants include Boyde Long, line coach, who held the same job at Oregon College at Monmouth; Stan LeProtti, backfield coach, from San Francisco State and a former high school head coach in California; Ralph Burba, Western's quarterback last year, who is working with the signal callers, and Hal Haddock, ex-Washington State gridder who is assisting with the linemen.

The Vikings, like Eastern, have had but one outing this season. Last Saturday, Western and the University of British Columbia played to an 0-0 tie in a driving rain in Vancouver.

Eastern, against the tough Willamette University team, won 32-18. The Savages' opener, hopefully a portent of this game and the rest of the season, showed that Eastern has a powerful runner in senior Don Strate who netted 121 yards on 15 carries for an 8.0 yards per carry average. Strate was Eastern's second top runner last year with a respectable average of 5.5 yards per carry and a game average of 82.0 yards, but he was totally outshadowed by Eastern's little-All-America Mel Stanton, whose 137.5 yards per game and 6.2 yards per carry took him to the top among small college players.

The Savages also showed a two-man passing threat in downing Willamette. Two-letterman all-Evergreen Conference junior quarterback George Cress completed seven of 18 passes for 80 yards and a touchdown, and sophomore letterman QB Bill Diedrick connected for six of 12 for 73 yards and a TD.

The Savages' offensive line outweighs the Vikings' by 12 pounds, 216-204; the backfield is 194-182 in favor of Eastern, whose average offensive team weight is 196. The defensive teams are even, 202-202.

EVERYTHING AUTOMOTIVE

Buick Riviera. Made in U.S.A.

What makes a car a car is styling, performance, ride and handling. Only when they're all tuned together is the car a Buick. Like this 1966 Riviera Gran Sport.

If there are two things the romantic Italians love, one of them is automobiles. Dashing, dramatic automobiles.

Now, some people think Italy has a monopoly on the red-blooded cars that make hearts beat faster and the adrenalin flow.

But those people have another think coming.

The tuned car is here. *Con brio.*

Where the tuned car comes from. Well, from the sunny slopes of far-off Flint, Michigan, if you want to be precise. But really it comes from the hearts of people who dearly love a great road machine.

The tuned car is a blend of styling, performance, ride and handling—all working together in harmony. It means the Riviera lives up to its looks, and that's going some. Under the hood, you have a 340-hp Wildcat V-8. The exhilaration it turns out is harnessed to the road via a suspension that gives you thorough control, yet a firmly comfortable ride.

We confess that we give the Riviera more than a little foreign flair, when it comes to designing it. So we exuberantly tune in Latin fire and grace.

But we never forget American practicality. And so the Riviera offers you a choice of bucket seating or six-passenger bench seating. (Or, for that matter, a combination: a new notch-back seat that converts into semi-buckets is available.)

Help keep America safe. When you first see the '66 Riviera, you might be forgiven for overlooking certain added attractions. Such as all the *safety* equipment that comes standard: seat belts front and rear; shatter-resistant inside mirror; outside rearview mirror; padded dash and sun visors; dual-speed wipers and washers; backup lights. (Which make seeing where you're going easier, even when you're going where you've been.) We overlook nothing to make your driving more pleasant. Nothing at all.

Drive the tuned car. And be glad Flint is in your country. The way to wangle an introduction to the tuned car is simply to visit your nearby Buick dealer.

You'll quickly discover that this '66 Riviera is as sleek and dramatic as any Roman chariot could possibly be. At the same time, you'll be pleased to know that it continues the Buick tradition of comfort and solid dependability.

And besides that, all the labels are in English.

Wouldn't you really rather have a Buick?

1966 Buick. The tuned car.

W. H. Davis (left), Alcoa's General Manager—Industrial Relations, says: "We've found that Army ROTC graduates with active duty experience as officers possess better than average initiative, foresight, and responsibility. These are qualities we rate very highly, and we gladly pay a premium to get them."

Why did Alcoa hire Rod Wilson?

Because Alcoa needs men to fill key positions—men capable of moving to the top; men who seek and measure up to responsibility. Rod Wilson is that kind of man. An Army ROTC Distinguished Military Graduate at Colorado State University, Rod won an officer's commission in the Regular Army along with his degree. Forty-four months of active duty, including 16 months overseas as an artillery commander, earned Rod Wilson 24-carat credentials as a leader, a man schooled in the demanding disciplines of command, the kind of man Alcoa looks for.

If you're this kind of man, prove it to yourself, and to the companies like Alcoa who are looking for you. How? Get in Army ROTC. Stay with Army ROTC, all the way to success.

ARMY ROTC

Eastern Players in the Spotlight

Today's opening home game will see Eastern without the services of its last year's little-All-America back, Mel Stanton, but the Savages have 20 returning lettermen, including veteran quarterback, George Cross.

Cross, who completed 39 passes in 92 attempts for four touchdowns last season, has already scored one tally against Willamette this year. Bill Diedrick, who threw seven completions in 20 tries for one TD last season, is already six for 12 and a TD.

Strate proved himself in better form than last year, and transfers Jim Northcott and Ray Stookey also figured in the scoring againts Willamette and are expected to repeat tonight.

Eastern has a probable starting offensive lineup of seven lettermen, three transfers and a freshman.

One of the Savage stalwarts, 245-pound sophomore tackle Dan Hartman will not start because of injuries, but will probably see action.

Only freshman to crack the offensive lineup is Greg Gavin, a 5-10, 192-pound center from Tonasket.

On the offensive line will be a pair of junior transfers at ends. Dave Svendsen, a 180-pound speedster from Grays Harbor, will be at left, and 6-4, 208 Roger Cramer from Wenatchee Valley, at right.

Rolf Oxos, 6-0, 230 Coulee City junior, will replace Hartman at left tackle, and moving into Oxos' right tackle spot will be 6-3, 223-pound Roger Bergh, a Tonaskte junior. Both are lettermen.

Senior letterman, Mick Landmark, who won a host of honors at tackle last year, a 6-2, 235 pro prospect, has been moved to left guard, and another senior, Canadian Barry Randall, a 6-3, 245-pound letterman who has been a pleasant surprise of the practice season for Holmes, will be at right guard.

Only newcomer to crack the offensive backfield is Jim Northcott, at flanker, a Spokane all-city from Gonzaga Prep and a sophomore transfer from Columbia Basin. The other spots are filled by Cross, senior fullback Don Strate and junior halfback Pat Zlateff. All are lettermen.

Ray Stookey, a CBC soph transfer and former Spokane all-city halfback, will likely also see action.

On the defensive front from the left will be soph letterman Paul Horak, 6-0 and 220; junior John Halfmoon, 6-2 and 250; senior letterman Steve Glass, 5-11, 215, and junior letterman Vern Garland, 6-1, 195.

Middle linebacker will be junior Bill Wall, 6-2, 225. He will be flanked by Dennis Nelson, 5-10, 190, on the left, and George Enie, 5-10, 208, on the right. All are lettermen.

Three-letter winner Dick Zornes, 5-11, 195, will be left defensive half, and junior letterman, Jerry Jantz, 5-10, 180, right. Zornes was elected team captain by the players and is also defensive captain.

Soph letterman, 5-7, 170, Bill Diedrick, will be left safety, and Randy Behrens, 5-10, 175, letterman, on the right.
