The Coaching Staff

FRED EMERSON

Head Football Coach

When Fred Emerson was appointed Western's head football coach last spring, he came to Bellingham and Western as no stranger. Fred is a 1959 graduate of WWSC and the first alum ever to hold the position of head football coach. Emerson is best remembered in Northwest Washington for his brilliant gridiron performances during the 1957 football season. That year he ranked 14th in the small college total offense and was named to the Little All-American team as a halfback. In seven games he rushed 81 times for 673 yards and an average of 8.3 yards per carry! Less known is the fact that the new Viking mentor received all-conference recognition three times for his baseball feats as a hard hitting outfielder. He still plays a mighty fine game of baseball. In fact, had he not sustained a serious knee injury during his senior year, he might have embarked upon a career in professional baseball.

Emerson comes to Western after compiling an outstanding record as football coach at his high school alma mater, Kent-Meridian. His K-M football teams had a record of 38 wins, 15 losses and 3 ties (.717) and won the tough Puget Sound League championship last fall and northern division titles in 1964 and 1965. During his high school days at K-M, Emerson was named all-conference in football, basketball and baseball.

At Western, Emerson will also assume the duties of head baseball coach, relieving Chuck Randall who will devote his entire coaching energies to basketball.

Fred and his wife, Jessie, have three children, Randy, 7; Shelley, 5 and Debra, 3.

BOYDE LONG

Assistant Coach

Line Coach Boyde Long, new to the State of Washington this year, has spent most of his 32 years in New Mexico. An all-state end in football and a state heavyweight wrestling champion at Highland High School in Albuquerque, Long continued to pick off athletic laurels at the University of New Mexico as an ALL-SKYLINE conference end.

After receiving his master's degree from the University of New Mexico in 1960, Long spent the next three years teaching and coaching in Albuquerque and Phoenix, Arizona. His combined three-year high school coaching record was 21-9.

From 1963 until this fall, Long was a member of the Oregon College (Monmouth) physical education and athletic faculty. At the Oregon school he served as head coach in wrestling anl track and line coach in football. He also directed the intramural program. At Western he will also handle the line for Coach Emerson and will assume the job of head wrestling coach and direct the rapidly growing intramural sports program. He may also assist with track in the spring.

Boyde and his wife, Mary, have two daughters, Patricia, 7; Pamela, 5.

DR. WILLIAM A. TOMARAS

Director of Athletics

Dr. William Tomaras came to Western Washington State College in 1961 as a member of the physical education staff and wrestling coach. In 1962 he became chairman of the department and in 1963 assumed the duties of athletic director also. He continues to hold the combined position of department chairman and athletic director, but press of these duties caused him to give up coaching last year.

Tomaras is known as the father of wrestling in the State of Washington, a recognition of his part in promoting high school and collegiate wrestling in the state. He initiated the state high school wrestling tournament in 1952 while wrestling coach at Washington State University. During his eleven years as wrestling mentor at WSU he produced five Pacific Coast championship teams and twenty-one individual Pacific Coast champions. Tomaras is also a former member of the national wrestling rules committee. Currently he is secretary of the Evergreen Conference and serves on two national committees of the NAIA.

After serving in the Army during World War II, Tomaras returned to graduate from the University of Illinois (1946). At Illinois he was a three-year letterman in wrestling and a place winner in the NCAA tournament. He earned his doctorate at the University of Oregon in 1957.

Dr. Tomaras and his wife, Dolly, have three sons, Gus, 22; Bill, Jr., 19, and Randy, 16. Gus and Bill are currently students at Western.

STAN LE PROTTI

Assistant Coach

Returning to a football assignment after a year's absence from the sport, Stan LeProtti will assist with backfield. Coach Emerson has coined a new moniker for Stan—The Enforcer. The team quickly approved the new "handle".

LeProtti is a 1950 graduate of San Francisco State and received his M.S. from Cal Poly in 1953. He has done further study at Stanford University.

LeProtti has had long and successful experience as a football coach. He has been head coach at Sequoia High School in Redwood City, California and held assistant coach positions at San Francisco State College, Contra Costa Junior College and Menlo College. Immediately prior to his arrival at Western in 1964, LeProtti was head football coach and physical education director at LaSierra High School in Carmichael, California for eight years. During these years Stan developed a unique high school physical education program which has attracted national attention. As a result of this work, LeProtti was invited to serve on the clinic staff of the Presidents Council on Physical Fitness. He continues to serve as a consultant to this national body.

In addition to his football duties, LeProtti coaches Western's track team.

Stan and his wife, Virginia, have three children, Bill, 17; Hugh, 13, and Monteen, 6.
