# THE COACHING STAFF

## DR. WILLIAM A. TOMARAS

*Director of Athletics*

Dr. William Tomaras came to Western Washington State College in 1961 as a member of the physical education staff and wrestling coach. In 1962 he became chairman of the department and in 1963 assumed the duties of athletic director also. He continues to hold the combined position of department chairman and athletic director, but the press of these duties caused him to give up coaching in 1965.

Tomaras is known as the father of wrestling in the State of Washington, a recognition of his part in promoting high school and collegiate wrestling in the state. He initiated the state high school wrestling tournament in 1952 while wrestling coach at Washington State University. During his eleven years as wrestling mentor at W.S.U. he produced five Pacific Coast championship teams and twenty-one individual Pacific Coast champions. Tomaras is also a former member of the national wrestling rules committee. Currently, he is treasurer of the Evergreen Conference and serves on two national committees of the N.A.I.A.

After serving in the army during World War II, Tomaras returned to graduate from the University of Illinois (1946). At Illinois he was a three year letterman in wrestling and a place winner in the N.C.A.A. tournament. He earned his doctorate at the University of Oregon in 1957.

Dr. Tomaras and his wife, Dolly, have three sons: Gus, 23; Bill, jr., 20 and Randy, 17, who is following in his father's footsteps as a very fine wrestler. Gus is currently a student at Western and this year will handle the duties of trainer on the W.W.S.C. staff. Bill, jr., is currently on army duty in Germany.

## BOYDE LONG

*Assistant Coach*

Line Coach Boyde Long, who joined the Western Washington coaching staff last year, has spent most of his 33 years in New Mexico. An all-state end in football and a state heavyweight wrestling champion at Highland High School in Albuquerque, Long continued to pick off athletic laurels at the University of New Mexico as an ALL-SKYLINE conference end.

After receiving his Master's degree from the University of New Mexico in 1960, Long spent the next three years teaching and coaching in Albuquerque and in Phoenix, Arizona. His combined three year high school coaching record was 21-9.

From 1963 until 1966, Long was a member of the Oregon College (Monmouth) physical education and athletic faculty. At the Oregon school he served as head coach in wrestling and track, and line coach in football. In his first year at Western Long assumed head wrestling coaching duties as well as assistant football and track positions. He also handled the rapidly growing intramural sports program. This year he will add the head cross country and track positions to his schedule while handing over his intramural program to Coach Chuck Randall.

Boyde and his wife, Mary, have two daughters: Patricia, 8 and Pamela, 5.

## FRED EMERSON

*Head Football Coach*

Fred Emerson begins his second season as head football coach at Western Washington after replacing the retiring Jim Lounsberry in 1965. The young coach began his football playing at Kent-Meridian high school before transferring to the W.W.S.C. campus in 1957, after a two-year stay at the University of Washington. That year as a Viking, Emerson ranked 14th in small college total offense and was named to the Little All-America team as a halfback. In seven games he rushed 81 times for 673 yards, an average of 8.3 yards per carry. In 1959 Fred graduated from Western and began a highly successful coaching tenure at his old alma mater, Kent-Meridian. His K-M football teams compiled a record of 38 wins, 15 losses and 3 ties (.717) and won the tough Puget Sound League Championship in 1965 and northern division titles in 1964 and 1965. Emerson was then appointed Western's head football coach in 1966, the first alum ever to hold that position.

Less known are Emerson's baseball feats. He received all-conference recognition two times at W.W.S.C. for his playing as a hard hitting outfielder. He still plays a mighty fine game. In fact, had he not sustained a serious knee injury during his senior year, he might have embarked upon a career in professional baseball. At Western Fred also assumed the duties of head baseball coach, relieving Chuck Randall to concentrate entirely on basketball.

Fred and his wife, Jessie, have three children: Randy, 8; Shelley, 6 and Debra, 4.

## STAN LE PROTTI

*Assistant Coach*

This season Stan LeProtti will again handle the backfield and the conditioning program for Coach Emerson's Vikings. Nicknamed "The Enforcer", LeProtti is just that in his pre-season conditioning program to get the Viks in top shape.

LeProtti is a 1950 graduate of San Francisco State and received his M.S. from Cal. Poly. in 1953. He has done further study at Stanford University.

LeProtti has had long and successful experience as a football coach. He has been head coach at Sequoia High School in Redwood City, California, and held assistant coach positions at San Francisco State College, Contra Costa Junior College and Menio College. Immediately prior to his arrival at Western in 1964, LeProtti was head football coach and physical education director at LaSierra High During these years Stan developed an unique high school physical education program which has attracted national attention. As a result of this work, LeProtti was invited to serve on the clinic staff of the President's Council on Physical Fitness. He continues to serve as a consultant to this national body. Last year he was further honored by being named among the top ten physical fitness men in 1967.

Stan and his wife, Virginia, have three children: Bill, 18; Hugh, 14; and Monteen, 7.

### STEVE RICHARDSON

*Student Assistant Coach*

Returning to the Western Washington campus this season is Steve Richardson, not as a player but in a coaching role. Richardson began his football career at Kent-Meridian High School where he played under Head Coach Fred Emerson. As a prep Steve received all-conference honors in football, baseball and basketball. In 1963 he came to W.W.S.C. and started a football career that may go unequaled. In his four years of play Steve was given All-Evergreen Conference recognition as a halfback on offense and defensive safety for three straight years. In 1966 he capped off his career by being named to the N.A.I.A. All-American team. His playing jersey, No. 21, has been retired to a place of honor in the Carver gymnasium trophy case. This season Richardson will work with the defensive backfield.

Steve and his wife, Judy, have one child: Becky, 1.

### HAL HADDOCK

*Student Assistant Coach*

Assisting Coach Emerson in football this fall will be Hal Haddock. Hal, who also assisted in baseball last year, was an all-state athlete in four sports while a student at Walla Walla High School. When he graduated in 1959, Haddock enrolled at Washington State University. As a Cougar he starred two years as a fullback and also played a year of baseball. In 1962 he signed a New York Met contract as a pitcher, where he worked his way up to class AAA ball before developing a sore arm. He has been pursuing his degree at Western the past two years, except for summer assignments as a part-time pitcher for the Bellingham Bells and coach of the Bellingham American Legion baseball team, which won the Northwest District championship in 1966.

Hal and his wife, Beverly, have one child: Kimberly, 3.
