HOMECOMING GREETINGS

Western is again pleased to welcome its alumni to the annual Homecoming festivities.

Homecoming is a time for renewing old acquaintances and re-establishing contact with the college and its faculty. We hope your visit to the campus will be enjoyable and that you will have time to observe the numerous changes since your last visit. We shall look forward to chatting with you at one of the several special events this week-end.

CHARLES J. FLORA,
President

Returning Graduates,

In these days when no one usually has any time for nostalgia, it is a pleasure for us to welcome you to walk through campus and recall your good times of past years.

We have had, however, a little different homecoming fare for you this year and we hope you have enjoyed it. While you are walking through your old haunts on campus, we would like to show you some new twists on the educational process.

Please enjoy yourself at the game and let us look forward to helping each other form a peaceful and more understanding and friendly world.

Thanks for coming.

NOEL V. BOURASAW

Once again it is Homecoming time. This is an occasion all of us at Western anticipate because it is fun time for students, faculty and alumni. There is so much to do in a short time—old friends to visit, special events to attend, new facilities to see. We trust it will be a memorable week-end for all.

Homecoming is also football time. Our football team this year is the youngest we have had for many years, yet they have performed exceptionally well, sometimes against difficult odds. We are truly proud of this fine group of young men and we believe they deserve your whole-hearted support.

During the past year three Western athletes received national recognition. Dave Weedman earned a place on the NAIA second team as a defensive end. Dave Vandergriend won the NAIA in the javelin throw and placed fourth in the final try-outs for the U. S. Olympic team. Mike Dahl achieved national recognition in basketball. In addition, Western's basketball team carried the Western banner with distinction throughout Asia and Australia during the late summer.

Alumni will be interested to know of the establishment of an Athletic Hall of Fame for its former athletic heroes. Additional men will be added annually during the winter months.

Have a good Homecoming and plan to follow the Vikings regularly.

Director of Athletics
