PRESIDENT'S WELCOME

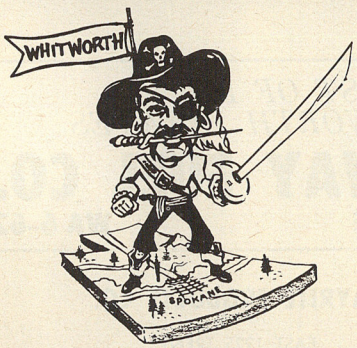

Welcome to another season with the Pirates in action! Much is happening on the campus at Whitworth. Refurbishing of the Pine Bowl, including the addition of 2000 seats, will soon make it the family sports center of north Spokane. The coming of two new coaches has heightened the interest and hope of all of us on the campus. New students are coming to us from all over the United States including Alaska and Hawaii. There is an air of expectancy. We are grateful to the subscribers in this book for their important support of the Whitworth program of Athletics, for that too is part of the ethos surrounding what we are trying to do.

Active participation in a good athletic program is an experience that ensures development of the whole person, for it relates not only to good health, but also to physical skills, coordination and the promotion of cooperative experiences by and for one's fellow man. Far from hampering academic pursuits, vigorous participation in physical activity adds zest to the whole college experience.

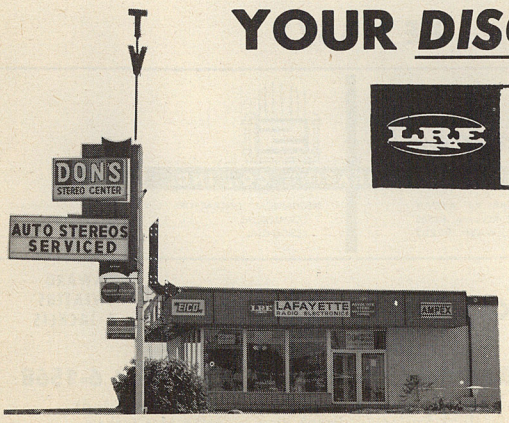

We sincerely believe that competitive athletics aid in the development of character. Your participation with us in the Whitworth athletic program is benefiting many young lives and we are grateful to you for it.

Sincerely,

Edward B. Lindaman
President

FOOTBALL Returns to the CAMPUS

With the 1970 grid season, Pirate football returns to the College Campus. Football fans will take their seats in the new concrete structure on the east side of the gridiron. This 2000-seat seating arrangement is the first phase in an on-going rehabilitation program scheduled for the Pine Bowl.

Dr. Edward B. Lindaman launched the "Pine Bowl 2000" fund-raising drive saying, "This is the first stage of a three-stage plan. Later we plan to add another 1000 permanent west side seats, then an all-weather running track, then another 1000 seats and lighting."

Anyone interested in cooperating in the program to establish this family sports center are encouraged to contact the Whitworth College Office of Advancement.

HOOP SEASON PROSPECTS EXCELLENT

The Buc basketball season will open with the traditional battle against the Alumni, Saturday, November 28th, in Graves Gym on the Campus.

This encounter with former hardwood greats will tip the lid on a 27-game schedule which will take the Pirates to five states and Canada.

In addition to the nine conference tilts with Eastern, Central and Western State Colleges, of the Evergreen Conference, the Bucs will engage three Northwest Conference foes (the league Whitworth will join with the 1971-72 academic year).

Games are also scheduled with University of Idaho, Sonoma State, Tahoe Paradise, California at Davis (all California) and several other perennial basketball powers on the Coast.

Coach Cal Riemcke is confident that the holdovers from the 1969-70 squad (7 frosh, 4 sophomores and 7 juniors) will be one of the most experienced teams in the Pacific Northwest.

The Bucs, who finished third in the Evergreen in the past year, lost only two seniors — high scoring Ted Hiemstra and playmaking Rick Pettigrew.

Returning among many others, are proven performers: Jim Nieman (14 point average, 145 rebounds), Glen Hiemstra (12.5 point average, 211 rebounds), Willard Rance (12.1 points).

The new year will bring new prospects to the hardwood squad. Expected to report as transfers and frosh are:

TRANSFERS:

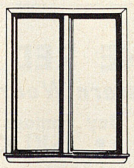

Tom Seidenberg and Chip Tyson — College of Marin
Harvey DePugh — Spokane Community College
Earl Washington returning from the service

FRESHMEN:

Randy Sandberg — Moses Lake
Alan Brandt — Oakesville
Gerald Ely — Valley
Joel Billings — Wapato
Bruce Nave — San Raphael, Calif.
Manny Martinez — Milpitas, Calif.

Final Evergreen Year — NW Loop in '71-'72

A charter member of the Evergreen Conference since its birthday in 1948, Whitworth College is entering the final year of its association with the schools of that Conference, as a Conference member.

Beginning with the competitions of the 1971-72 academic year, Whitworth will be a member of the long-established Northwest Athletic Conference.

At the present time the Evergreen Conference is made up of Eastern Washington State College, Central Washington State College, Western Washington State College and Whitworth.

Comparable Size

The decision to withdraw from Evergreen competition was prompted by several factors, the more important of which were: Northwest Conference schools are private colleges and universities and all of a like size with Whitworth.

Another factor is that the academic year calendars are more nearly matched than those of larger State schools.

The members of the Northwest Conference at present are:

Lewis & Clark College, Portland
Pacific University, Forest Grove, Oregon
Willamette University, Salem, Oregon
Pacific Lutheran University, Tacoma
Whitman College, Walla Walla
College of Idaho, Caldwell
Linfield College, McMinnville, Oregon

Although scheduling is not complete for the years 1972 and beyond it is hoped that athletic rivalries with the Evergreen foes of long standing may be maintained, whenever the schedules permit.

HUGH CAMPBELL Leads Pirates

A new day has dawned for Whitworth College football! With Hugh Campbell at the helm of the Pirate grid teams, the College athletic program launches into a new and exciting direction.

"Hugh is an unassuming, soft-spoken, young man; a guy who listens when you talk and who is admired by young people, respected by his peers, and who knows where he is going," said Whitworth College President Edward B. Lindaman, in making the appointment.

Campbell played three years of varsity football for the Washington State Cougars, 1960-62, earning All-America accolades from experts throughout the country. During that time he led the nation in pass-receiving an unprecedented three consecutive years and broke all pass-receiving records at WSU.

Following the 1962 season, Hugh played in the College All-Star game vs. the Green Bay Packers, the East-West Shrine game, the Hula Bowl, Coaches All-America game.

From 1963 through 1967 he played professionally for the Saskatchewan Roughriders; in 1966 was the unanimous choice for the Canadian All-Pro Team. He was selected on the Team on three other occasions. His phenomenal pass-catching abilities were highly instrumental in the Rough-rider victory in the Grey Cup Championship game of 1966.

His college coaching experience includes a full year on the Washington State staff, and spring practice coaching each year since his graduation from college, at either WSU or the University of Washington.

All the Whitworth family, and the Inland Empire sports fans in general, wish you every success as you guide the Pirate grid future, Hugh!

WHIT COACHING STAFF

SANDY COOPRIDER, Defensive Backs Coach. 1969 graduate of Montana State U, Bozeman. Assisted with Montana State frosh football last season.

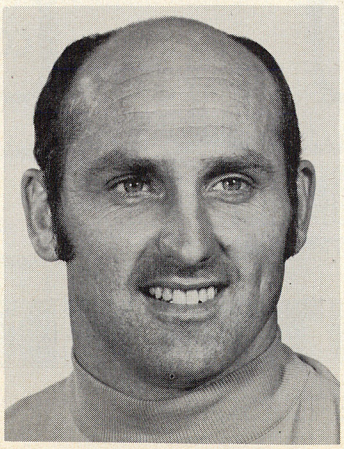

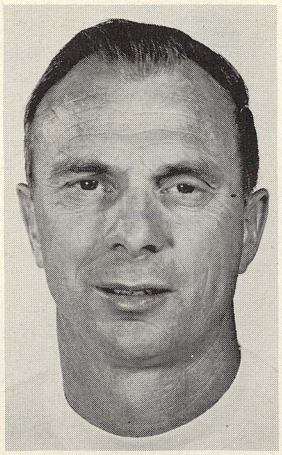

STEVE BARTELLE, Defensive Line and Linebackers Coach. 1969 graduate of WSU. Defensive coach at Columbia Basin College, Pasco, in 1969.

LEWIS "BUD" NORRIS, Pass Receivers Coach. WSU, 1967. Miami Dolphins, 1967. WSU football assistant, 1968. Also coached at Cleveland High, Seattle.

BRUCE GRAMBO, Offensive Line Coach. Second season with the Pirates. 1956 EWSC grad. Coached high school football at Harrington and at Central Catholic, Yakima; college ball at EWSC. Head wrestling coach, and physical education teacher.

RIEMCKE Enters 2nd Year

Cal Riemcke begins his second season as Whitworth Basketball Coach, riding on a very commendable beginning year in the Evergreen Loop. Coach Reimcke's squad of 1969-70 posted a 14 win - 12 loss record which clinched a third-place finish in the Conference.

Prior to assuming the Whitworth reins, Cal served 11 years on the staff of the College of Marvin, Kentfield, California. His teams at Marvin won seven Golden Valley Conference crowns and the Northern California Division Championship two times.

Coach Reimcke is now serving as Athletic Director and, for the 1970-71 academic year he is also the Acting Head of the Physical Education Department, as Dr. A. Ross Cutter takes his sabbatical leave.

Along with his family he is active in his church and carries these basic religious concepts into his coaching endeavors.
