Lutes vs. Vikings, Oct. 28, 1989

3-2-1 LUTES LOOK TO GET BACK INTO PLAYOFF RACE AGAINST RED-HOT, 20TH-RANKED VIKINGS

PLU gridders will try and rekindle any remaining hope for a post-season playoff spot this week when they square off this afternoon with 20th-ranked Western Washington in today's Columbia Football Association Mt. Rainier Division contest.

Frosty Westering's Lutes will look to regroup after a 24-14 loss to Linfield and enter today's contest at 3-2-1 overall, 2-1-1 in the division. First-year coach **Rob Smith's** Vikings turned back winless Eastern Oregon 38-16 to up their season record to 5-1-0, 2-1-0 in the division.

"We're looking forward to the challenge of being the team we can be again against a very strong opponent," said Westering on today'nd receivers spread out across the whole field. **(TB Scott) Lohr** is a tough running back and **(QB Kirk) Kriskovich** has three or four good receivers to throw to. They're pretty balanced," he said.

WWU is the top defensive team in the CFA, limiting its opponents to 242.8 yards a game, 104.0 rushing (2nd in the CFA), 138.8 passing (1st in the CFA). The Vikings' 430.5 offensive average (177.7 rushing, 252.8 passing) is third in the league.

Lohr leads the CFA in scoring with 13 TDs and the 5-9, 175-pound senior ranks fourth in rushing with a 133.7 game average. Kriskovich is fourth in passing at 233.0 ypg. His primary targets have been **WR Mike Carrington** (28 rec, 398 yards), TE **Kirk Schneider** (22-230) and Lohr (19-165).

Four lost fumbles, an interception and a blocked punt translated into PLU's 24-14 loss to Linfield. "Avis has a slogan that goes, 'We Try Harder.' I feel that was the story of the day for us," said Westering. "We tried harder and harder and it threw us out of our rhythm. That's the secret to high level performance. You don't try harder, you just do it, you just perform. We felt we were well-prepared and we know Linfield was. After any game like that, you ask yourself what you should have or could have done differently. If we could play it again, we wouldn't have done much differently. It was just one of those game," he said.
