# 1991 OFFICIAL FOOTBALL PROGRAM

### DIRECTOR OF ATHLETICS AND RECREATION

Since the opening of Simon Fraser University in 1965, football has played an integral part in helping build the University's strong athletic tradition and reputation.

Throughout the years we have had a great many outstanding young men who have done a great deal to establish the Clan's winning tradition, many of whom have gone on to achieve success as teachers, doctors, dentists, lawyers, scientists and businessmen. The great many hours of self-sacrifice that they contributed on the field are now paying off in their chosen professions. Instead of blocking and tackling as members of our football squad, they are now making outstanding contributions to society as leaders in their respective communities. These young men were and always will be considered members of the Clan and we are extremely proud of them.

Your attendance at this game means a great deal to our football players, the staff and coaches as they have worked hard to provide you with a team that has the potential to have an exciting season. All of them and I wish to thank you for being here to support the 1991 Football Clansmen.

W. Lorne Davies

### THE CLAN CLUB

**In its relatively short history, the Department of Athletics has established a reputation for excellence unequalled in Canada.**

**To ensure the continued success of the program, the Simon Fraser Athletics Endowment Fund has been established. Its purpose is to provide a permanent source of revenue with which to improve facilities and services, as well as provide valuable scholarship funds for our country's finest athletes.**

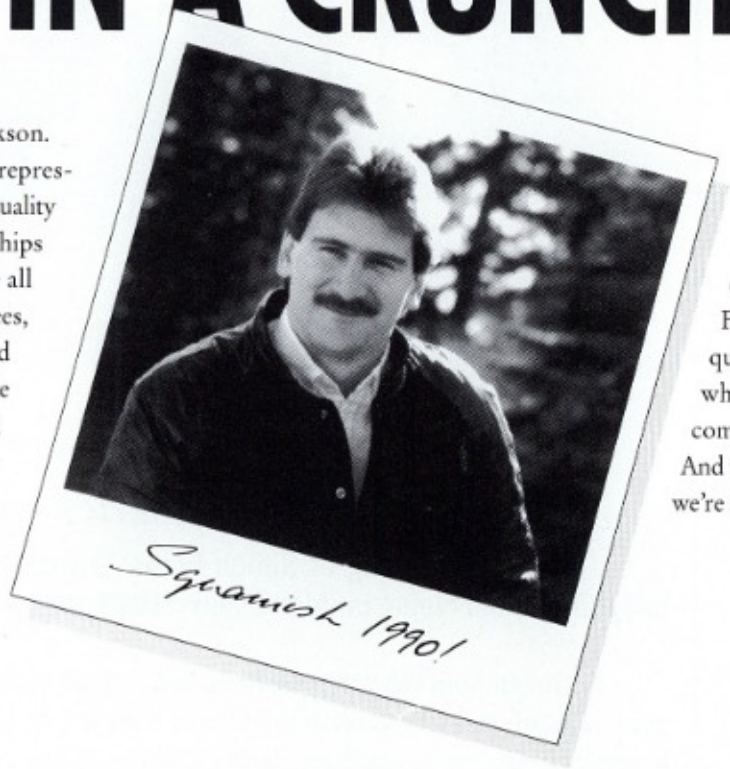

**We are proud of our contribution to the educational and physical development of Canada's future Olympic, National Team, and professional athletes. With your tax-deductible contribution to the Clan Club, you can become an important part of this winning tradition.**

**For further information on the Clan Club, call or write:**

# NALLEY'S COMES THROUGH IN A CRUNCH!

Meet Randy Jackson. Randy is a sales representative for the quality line of Nalley's chips and snacks. Like all Nalley's employees, he is committed to serving his customers. Take the mud slides on the Squamish Highway last October. Randy wasn't going to let a little thing like that stop him from delivering his "Thunder Crunch." So he rented a barge to take him around the slide area, then spent the weekend delivering to customers from Squamish to Pemberton. That's the kind of commitment you'll find at Nalley's. From the people who make our quality chips and snacks to the people who drive our trucks, Nalley's is committed to serving the grocery trade. And thanks to people like Randy Jackson, we're able to meet that commitment.

Nalley

Committed to quality

## Thinking about new wheels?

The excitement of buying a new or newer car can be one of life's real pleasures.

And when you need a loan to make it happen, turn to your Credit Union. B.C.'s Credit Unions get people rolling all over the province. In fact, we average about 1,800 car loans every month! Bet we can put you in the driver's seat, too. Car loans—another good reason to make use of your Credit Union.

# CLANSMEN COACHING STAFF

## Chris Beaton
## Head Coach

Chris Beaton enters his ninth season as Simon Fraser's new leader in career coaching victories.

Beaton's association with the Clan began in 1965 when he was selected as the team's first ever captain. Following his playing career (1965-68), Beaton became a graduate assistant (1969) and then an assistant coach (1973-79).

In 1983 he was given the head coaching job and has since compiled a 35-43 record, one victory more than Simon Fraser Sports Hall of Fame coach and current Athletics Director, Lorne Davies. Beaton's best season was in 1984 when he guided the Clan to a 7-3 record and a national ranking, one of the best seasons in the football program's history.

Chris has a Bachelor of Arts degree from SFU and a Master's degree in Educational Administration from Western Washington University. Chris, his wife Sherry, and daughter Britttany live in Richmond.

## Terry Bailey
## Offensive Co-ordinator

For the past four years, Terry Bailey has been the mastermind behind a high powered Clan offence which promises more fireworks in 1991.

The football Clan's first-ever All-American, Bailey has been responsible for developing the last two first overall picks in the CFL draft - Sean Millington (1990) and Nick Mazzoli (1991).

After a 10-year career with the B.C. Lions, Bailey retired from professional football in 1983 and was inducted into the SFU Sports Hall of Fame in 1986 as a charter member.

Terry has a Bachelor of Arts degree from SFU and a teaching certificate from the University of British Columbia.

Terry, his wife Jane, and sons Bryn and Shaun, live in White Rock.

## Jerry Areshenko
## Defensive Co-ordinator

Although new to Simon Fraser, Jerry Areshenko brings with him a variety of coaching experiences in both the college and professional ranks.

After receiving his Bachelor of Science in Education from Mayville State (ND) University, Areshenko accepted a graduate assistant coaching position at the University of North Dakota (1985-86), while working towards his Masters in Physical Education Administration.

He then took the defensive co-ordinators post at Valley City State (ND) University (1987-88) and helped guide them to the NAIA National playoffs in 1988. Most recently, Areshenko served as the defensive co-ordinator at Jamestown (ND) College (1989-90), and has been a guest coach at the Winnipeg Blue Bombers and B.C. Lions training camps the past two seasons.

J erry, his wife Christy, and children Annie and Jake live in Port Coquitlam.

Mayor Bill Copeland on behalf of the Burnaby Municipal Council, is pleased to support the "Student Athletic Programs of Simon Fraser University".

Athletic programs provide opportunities for students to enjoy and even excell at sports while maintaining good academic standing.

We wish all of the student athletes the very best for the 1990/91 school year.

## THE NAIA PLAYOFF SYSTEM

Beginning its seventh season, the Columbia Football Association is the governing body for two separate Division 2 leagues - the Mt. Rainier League, composed of SFU, Western Washington, Central Washington, Puget Sound, Pacific Lutheran, Whitworth and Pacific; and the Mt. Hood League, comprised of Lewis & Clark, Western Oregon, Eastern Oregon, Southern Oregon, Oregon Tech, Linfield, and Willamette.

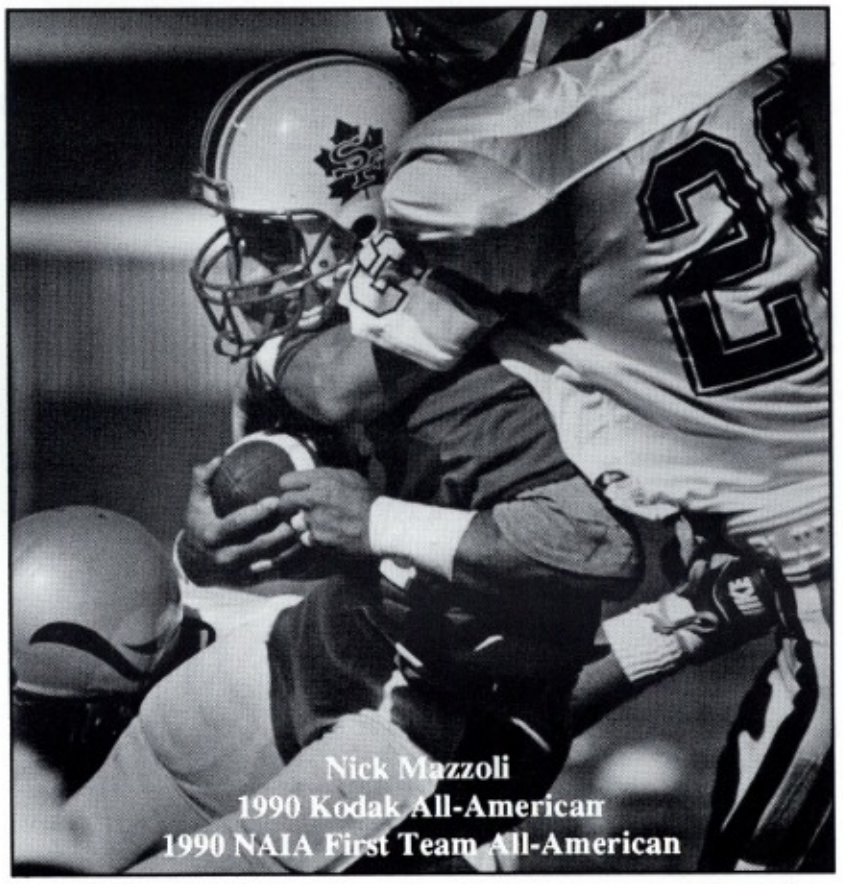

The two league champions, if they are ranked among the top 25 teams in the NAIA Division 2 national poll, will receive automatic berths into the 16-team national playoffs.

Western Oregon is the lone school remaining in Division 1 and won't be eligible for an automatic berth. They can qualify only as an at-large entry.

The 16 playoff berths will be filled by league champions (11) and then by the next five highest-ranked teams in the final NAIA regular-season poll.

# CLANSMEN TO WATCH

**Dave Serieska, senior**
**Offensive Lineman**
**6'2" 290 lbs.**
**Welland, Ont.**

After being drafted by the B.C. Lions in 1990, Dave returns as the anchor of a solid offensive line. A second team all-star in 1990, Dave is one of the biggest and strongest offensive linemen in Clan history.

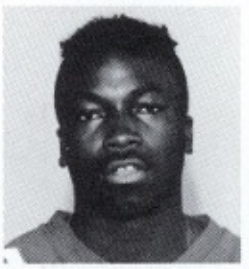

**Paul Pakulak, junior**
**Tight End**
**6'3" 230 lbs**
**Richmond, B.C.**

Possibly the best all-round tight end in Clansmen history, Paul enters the season as the team's leading returning receiver with 21 receptions in 1990. An excellent run blocker as well as pass receiver, look for Paul to be a major force in the Clan's offence in 1991.

**Scott Arsenault, junior**
**Centre**
**6'2" 267 lbs.**
**Hamilton, Ont.**

Scott enters his third year as the Clan's starting centre and this year he also takes on the role of co-captain. An intense competitor both on and off the field, look for Scott to inspire the Clan to new heights this season.

**Rick Walters, sophomore**
**Running Back**
**6'0" 192 lbs**
**Edmonton, Alta.**

In only his freshman season, Rick led the Clan in rushing with 690 yards and earned honorable mention all-conference status in 1990. An impact player who combines speed and agility, Rick should be able to continue in the tradition of great running backs at Simon Fraser.

**Jamie Clayton, senior**
**Linebacker**
**6'0" 225 lbs**
**Coquitlam, B.C.**

The most experienced member of the Clan, Jamie returns for his fourth year as the Clan's starting middle linebacker. Possessing both size and toughness, Jamie is the Clan's leading returning tackler with 46 solo tackles and 32 assists in 1990.

**Greg Frers, junior**
**Defensive Back**
**5'11" 190 lbs**
**Delta, B.C.**

A starter since his freshman season, Greg enters 1991 as the Clan's most experienced defensive back. This season, Greg hopes to use this experience to make the adjustment from corner to safety, where he can set the tone in the Clan's defensive backfield.

**Dino Bucciol, junior**
**Quarterback**
**6'2" 185 lbs**
**Vancouver, B.C.**

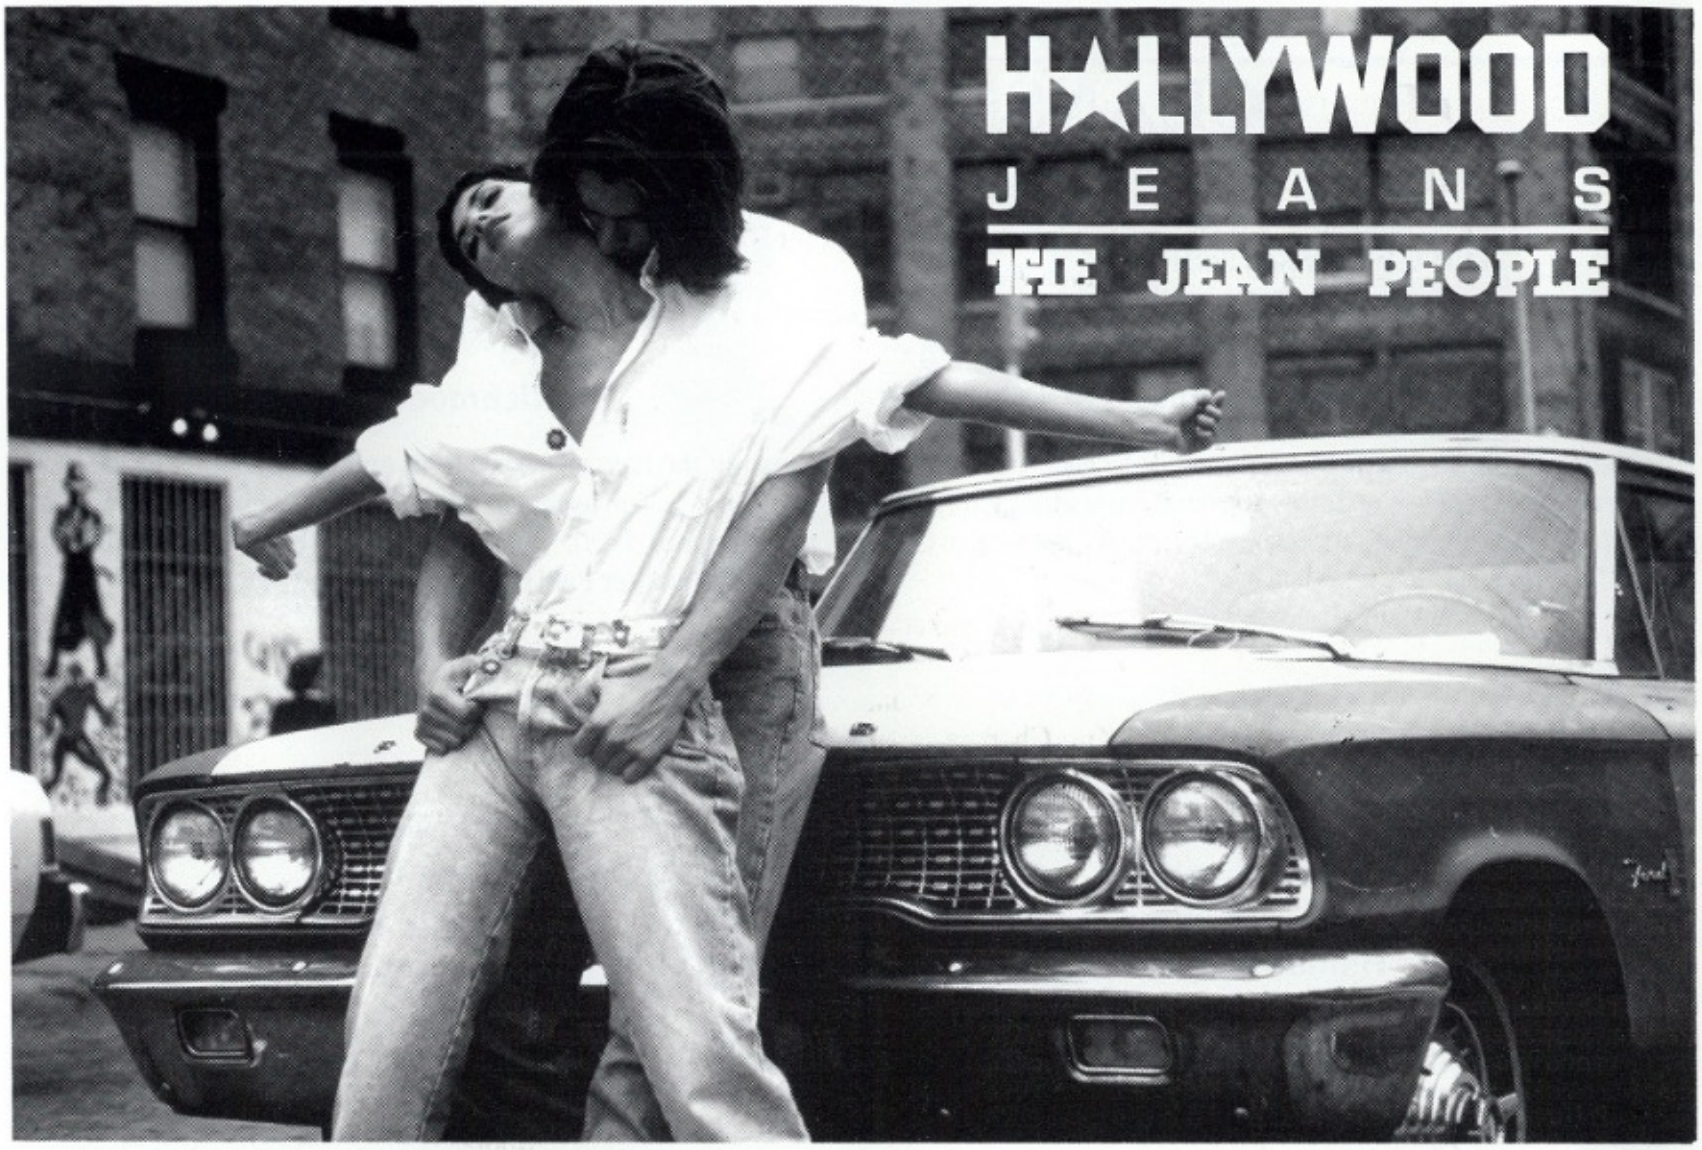

After spending his freshman season as a defensive back, Dino's first season as the Clan's starting quarterback was a successful one. He was able to use his knowledge of defenses as well as his tremendous athletic ability to throw for over 2,100 yards and 19 touchdowns in 1990.

**Doug Peterson, junior**
**Defensive End**
**6'5" 295 lbs**
**Fort St. John, B.C.**

In his first-ever season of football, Doug led the team with 8.5 quarterback sacks last season. An honorable mention all-star in 1990, Doug's combination of size, strength, and speed will make him a force to be reckoned with in the Columbia Football Association.

## Simon Fraser joins the NAIA

In 1969, Simon Fraser University became the first and only Canadian university to be granted membership in the National Association of Intercollegiate Athletics, or NAIA.

Through this affiliation SFU competes against more than 540 universities and colleges from the United States for national championships and rankings and Clan athletes are eligible for All-America status. At the same time, Simon Fraser regularly schedules exhibition games against CIAU universities, maintaining its athletic link to the rest of Cananda.

Lorne Davies

The reasons why SFU chose to join the NAIA were both philosophical and practical.

The late Dr. Gordon Shrum, the founder and then Chancellor of the university, along with current Athletics and Recreation Director Lorne Davies decided that in an effort to keep Canadian student-athletes in Canada, Simon Fraser would offer athletic scholarships when the university opened its door in 1965. At that time, no other university in Canada offered scholarships to outstanding Canadian athletes.

The high level of competition found at universities and colleges in the United States, along with attractive geographical (proximity to top flight competition)and financial (lower travel costs) considerations influenced SFU to join the NAIA.

The decision has yielded nothing but positive consequences as Simon Fraser and its student-athletes have become renown for a high level of achievement nationally, internationally and on the Olympic stage.

## NAIA Membership

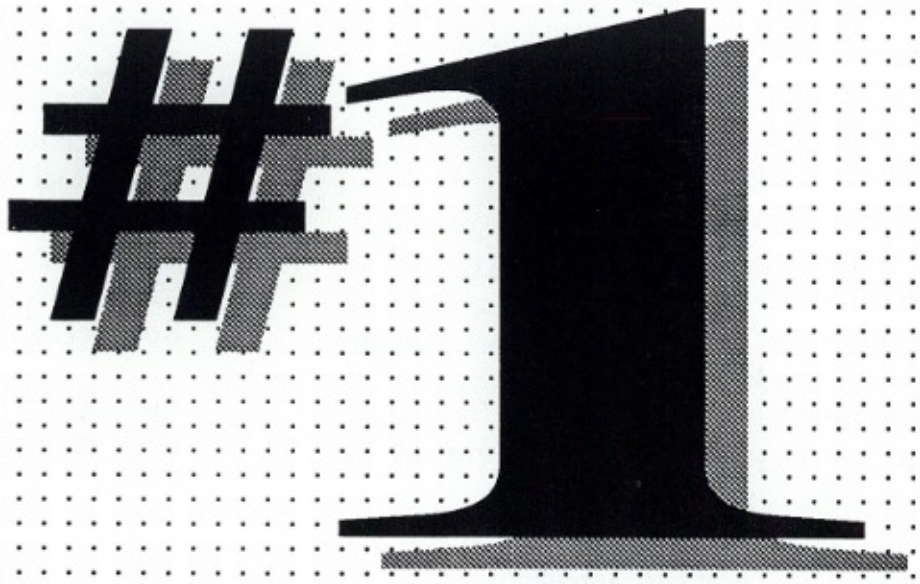

Any four-year college or university, or upper-level, two-year institution in the United States or Canada that awards the Bachelor's degree or equivalent may hold membership.

**TO THE BASKETBALL & FOOTBALL PROGRAM SQUADS**

Now all of you are athletes,
Some tall and some not so.
Many of you can dribble;
A few of you can throw.
Give it your best in the years to come,
And enjoy tackles, fellowship, and hooks.
Don't get fouled up with things like drugs -
Remember that's for snooks!
When your university years are over,
And you reminisce about highlights, cheers, and looks;
Be thankful you kept the intelligent athlete's creed...
"Thou shalt not forget the books".

God bless; keep healthy; and much success.

Bryan L. Foley
