General Information

WESTERN WASHINGTON UNIVERSITY

Western Washington University is located in Bellingham, a city of 52,000 in the northwest corner of the state near the Canadian border.The 224-acre campus, on the west slope of Sehome Hill, overlooks the downtown area, Bellingham Bay, and the beautiful San Juan Islands. Less than an hour's drive away are the ski slopes of 10,778-foot Mount Baker, numerous lakes, two major rivers, and the alpine country of the North Cascades. Seattle is 90 miles to the south, and Vancouver, British Columbia, is 55 miles to the north.

Western emphasizes excellence in undergraduate education and in selected graduate programs. The University is large enough to offer a wide range of high quality programs and small enough to focus its resources on individual students. Faculty, students, and staff work closely together in a superb setting to pursue a university education and build career skills on a sound foundation of the arts, humanities, sciences and professional studies.

Western was founded in 1893 and has grown from a small teacher's college into a multipurpose institution of 10,000 students, offering a wide range of educational opportunities, from studies in the liberal arts and sciences to preprofessional and professional training.

Western offers degree programs through six colleges and the Graduate School. The College of Arts and Sciences, the largest division of the University, offers over 60 major programs in 22 departments. Programs in accounting, business administration, economics, business education and office administration are available through the College of Business and Economics. The Woodring College of Education trains educators at all levels, from preschool through college. The talents and facilities of the department of art, music and theatre/dance are offered through the College of Fine and Performing Arts. Huxley College of Environmental Studies addresses the biological, social and cultural dimensions of environmental problems on a scale ranging from local to global.

There are extraordinary opportunities available to a Western student: facilities such as the Wilson Library, the marine laboratory, the computer center, and the Performing Arts Center; distinguished programs as wide ranging as vehicle technology, music, environmental studies, journalism, business and education; art and architecture created by such as Noguchi, Caro, Bassetti and Ibsen Nelson. The campus is a stunning blend of art and nature. It has been called "magic." Its visual power signals the power of the educational opportunity offered to Western students.

An accomplished faculty makes undergraduate education its primary mission. Western students engage in the great tradition of the arts and sciences, fostering values such as clarity of thought and expression, informed judgment, aesthetic sensibility, tolerance for ambiguity, a sensitivity to cultural differences, and a sense of historical continuity.

Western reflects the high aspirations of Washington citizens for educational excellence. For students, faculty and staff Western thus embodies an opportunity and a challenge.

Students who wish to take maximum responsibility for the direction and content of their degree programs, share in curriculum planning and engage in a variety of independent studies may be interested in Fairhaven College. Fairhaven students may select a major from another division of Western or design their own Fairhaven concentration. Western's Graduate School offers the Master of Arts, Master of Business Administration, Master of Education, Master of Music and Master of Science degrees in nearly 30 different areas of concentration.

NAIA Hall of Fame

Western has had six individuals inducted into the NAIA Hall of Fame. In order of induction, the outstanding contributors to WWU and the NAIA are:

Sam Carver

Known as the "Father of Western Athletics," Sam Carver was a standout student-athlete at the school in 1912 and 1913. Carver coached six sports at Western, including baseball for 10 years, basketball for 19 years, football for 14 years, golf for 22 years, tennis for 18 years and track & field for 22 years. He also was director of athletics for 18 years. The current home of Viking basketball is named for Carver, who was inducted in 1957.

Charles Lappenbusch

Charles Lappenbusch was a member of Western's physical education department for 42 years. He was athletic director for 30 years and coached five sports. His most notable coaching achievement came in football, where he guided the 1938 squad to a 7-0-0 record – the only undefeated, untied season in the team's history. Lappenbusch, who had an overall record of 81-62-15 in football, was named to the Hall in 1961.

Herbert Hearsey

Western's faculty athletic representative for 25 years, Herb Hearsey was instrumental in developing the bulk of the eligibility rules used by the NAIA. Hearsey helped write the constitution and bylaws of the Evergreen Conference which was formed in 1948. He also was secretary of the NAIA National Eligibility Committee. A professor of library science and associate director of Wilson Library during his 34 years at Western, Hearsey was named to the Hall in 1975.

Chuck Randall

As basketball coach for 18 seasons, Chuck Randall compiled an impressive 275-186 record. His teams had winning records in his first 11 seasons, but the best campaign was 1971-72, when the Vikings went 26-4 and reached the quarterfinals of the NAIA national tournament. He also coached the baseball team to two national appearances. He was also an innovator, developing the first breakaway rim and founding the first basketball camp in the western United States. Called the "coaches' coach" because so many of his players became coaches, Randall was inducted into the Hall in 1985.

Lynda Goodrich

One of just three women's basketball coaches in the NAIA to reach 400 career victories, Lynda Goodrich continues to leave her mark on athletics. A 1966 graduate of Western, Goodrich returned to the school to coach basketball in 1971. Over the next 19 seasons, she compiled a 411-125 record, guiding the Vikings to five national tournaments. Currently Western's director of athletics, Goodrich was inducted into the hall in 1986.

Jo Metzger

A forward on the women's basketball team from 1977-81, Jo Metzger is the only Western athlete in the Hall, being inducted in 1992. Metzger was one of only 30 finalists for the Wade Trophy, which goes to the nation's top female collegiate basketball player, in both 1980 and 1981. She also received first-team AIAW Division II All-America honors in 1981. Metzger was a four-time league and region all-star. She held 15 school records at the end of her career, including the career scoring mark of 1,990 points. Metzger is the only Western player to lead the team in scoring four times and is the only Viking ranked among the school's Top 10 career leaders in points, rebounds, assists, steals and blocked shots.

The National Association of Intercollegiate Athletics (NAIA)

The National Association of Intercollegiate Athletics (NAIA) is a completely autonomous association, currently administering programs of intercollegiate athletics to nearly 500 fully accredited colleges and universities of moderate enrollment. The fundamental tenet of the NAIA is that intercollegiate athletics is an integral part of the total educational program of the institution. This belief is strongly reflected in the governing documents, activities, and organizational structure of the association.

The NAIA is governed by two bodies. The Council of Presidents, composed of one president from each region, is responsible for fiscal matters, academic standards and supervision of the national staff. The 10-person National Executive Committee, elected by membership, is responsible for organizing championship events and overseeing the committees and associations. The executive director conducts the day-to-day operation of the National Office, headquartered in Tulsa, Oklahoma. A full time staff of 22 serves the membership at the national level.

Regions and conferences are the basic units of the NAIA. The association is organized into nine geographical regions spread throughout the 50 states and a part of Canada. Eligibility rules within the NAIA govern all play in all sports recognized by the association.

Columbia Football Association

The Columbia Football Association is a 12-school football alliance which encompasses the Pacific Northwest Region of the NAIA. Formed in 1985, it merged the Northwest Conference and the Evergreen Conference into one of the most powerful and respected associations in the country.

The CFA is divided into two leagues, the Mount Rainier League (public schools), and the Mount Hood League (private schools). Each school plays a complete round-robin schedule within its league, plus four interleague games which do not count in the standings.

Western belongs to the Mount Rainier League which includes Central Washington, Eastern Oregon, Simon Fraser, Southern Oregon, and Western Oregon. Members of the Mount Hood League are Lewis & Clark, Linfield, Pacific Lutheran, Puget Sound, Whitworth, and Willamette.

All of the schools in the CFA compete in NAIA Division II. Prior to 1988, eight of the schools were in Division I. All CFA schools agreed to compete in Division II when guidelines were established by the NAIA allowing the association the same number of national playoff berths as when it had schools in both divisions. In addition, Division II is a more competitive level for CFA schools because it allows financial aid to be given on a need-basis only.

The champions of both the Mount Hood and Mount Rainier Leagues, if also ranked among the Top 20 in the NAIA National Poll, receive automatic berths in the 16-team national playoffs. Other league schools can advance to the playoffs if they are rated high enough in the final national poll.

Since its formation, CFA schools have won three national championships, placed second nationally four times and third once.

Press Box

The press box contains space for radio stations, scoreboard operator, public address announcer and spotter, Western and opponent coaches, statisticians and print media representatives. Since the press box is a working area, please refrain from cheering.

Media Passes

Credentials are issued only to working members of the news media. Please do not request space for spouses, family members or friends. Sideline passes will be issued only to photographers.

Photographers

Photographers who work the sidelines must have a media pass, and must operate three-feet behind the sideline so as not to obstruct the chain gang or game officials. NCAA and NAIA regulations limit shooting to outside the team areas (between the 25-yard lines). Photographers may also work beyond the end line but not in the end zone – any photographer who interferes with game personnel will be ejected from the field.

Scouts

Scouting space is provided in the top row of the south bleachers, just in front of the press box. Scouts will be provided with game programs and final statistics.

Statistics

Statistics will be xeroxed and be available seven minutes into the halftime and 15 minutes after the game in the press box. Statistics will include team and individual totals, plus tackles and a play by play. An abbreviated form is used at halftime.

Dressing Rooms

Western dresses at Sam Carver Gymnasium on the WWU campus, and the opponent suits up at Bellingham's Civic Stadium. The Vikings are bused back to Carver Gym following the game for showers.

1994 Review & Program History

Top-ranked defense, explosive offense lead Vikings to unparalleled season

The 1994 football season was probably the best in Western history. Consider the Vikings' accomplishments:

- An 8-3 record, with the eight victories tying a school record set in 1951.
- The first NAIA Division II national playoff victory in the school's history – on the road over the country's No. 1 rated team.
- Ranking No. 9 in the final NAIA national poll, and being rated as high as No. 5 during the regular season – both the best in school history.
- Led the NAIA in scoring defense, the first time Western has topped the NAIA in any team statistical category.
- Having a player named first-team NAIA All-American for only the third time in school history, with a record 22 players selected to the Columbia Football Association (CFA) all-star team and a record nine picks to the Little All-Northwest squad.
- Posted a fourth consecutive winning season, the school's longest streak since the early 1920's.

We accomplished a great deal," acknowledged Western head coach Rob Smith. "From beginning to end, this team made a lot of progress ... we also know that we were maybe as good as any team in the country."

Making only its second national playoff appearance (the first was in 1992), Western defeated top-ranked Linfield, 21-2, in the first round, then lost to eventual national runner-up Pacific Lutheran, 25-20, in the quarterfinals.

"The Linfield win was very gratifying for a number of reasons," said Smith. "We beat the No. 1 team in the nation on their home field in a playoff setting, and beat a team that handled us rather easily earlier in the season. That gave us a good gauge on how the team progressed."

The Vikings, who placed second (4-1) in the Mount Rainier League (MRL) standings, lost only two other games – a regular season contest to defending national champion and No. 2-rated PLU 35-15; the other to then No. 6-rated Linfield.

Western's biggest strength was its defensive unit, which ranked first nationally in scoring defense (12.5), third in rushing defense (76.0), and fifth in total defense (260.3). Under first-year defensive coordinator Robin Ross – previously the top assistant at NCAA Division I Iowa State – the Vikings led the CFA in scoring defense, total defense, and passing defense (184.3) and was second in rushing defense.

Head Coach Rob Smith

"Our defense had a phenomenal year," Smith said. "When you look at the fact that in five of 11 games we held our opponents without a touchdown – and this is a very offensive league – that's a tremendous accomplishment."

Leading that unit was senior rover Bill Christensen, a first team NAIA All-American and Little All-Northwest selection, and the MRL Defensive Player of the Year.

Bill had a very solid year, and he was very deserving of the recognition he received," Smith said. "He was not a spectacular player, but he made the plays, he was always around the ball, and he was always going full speed. When you go full speed, good athletes turn into great athletes."

Christensen, tackle Scott Easley, and free safety Greg Malo all seniors, were first-team all-CFA and Little All-Northwest choices, with Christensen and Easley being unanimous CFA picks. Senior linebacker Mike Sweat was a first-team CFA all-star and second team Little All-Northwest. Easley and Sweat were also honorable mention NAIA All-Americans.

On offense, Western scored a school-record 326 points, lighting up the scoreboard for 40 or more points in a school-best four straight games. The Vikings, whose 45-point victory margins over Puget Sound (48-3) and Whitworth (45-0) were their highest since 1952, ranked third in the CFA in scoring offense (29.6) and fourth in rushing offense (141.9).

"Offensively, I don't think we performed up to our expectations, considering all the talent and personnel we had returning," said Smith. "At times, we played to the level we were capable of, but other times we struggled."

Pacing the offensive unit were four first-team all-CFA choices – junior running back Jon Brunaugh, sophomore running back John Frazier, and junior tackles Travis Cruse – an honorable mention NAIA All-American – and Joe DeShaw. Brunaugh, Cruse, and DeShaw also received first-team Little All-Northwest honors, while Frazier was a second-team pick.

Two other key figures were junior quarterback Jason Stiles and senior wide receiver Eric Meek. Both were second-team all-CFA picks, Meek for the third time and Stiles for the second time.

Brunaugh, a three-time all-league and Little All-Northwest choice, led Western for the third straight season in rushing and scoring as did Stiles in passing and Meek in pass receiving.

The Viking defense, which had strings of 13 and eight quarters without allowing a touchdown, helped Western to a CFA-leading turnover/takeaway ratio of plus-24, with 42 takeaways, intercepting 26 passes (one short of the school record) and recovering 16 fumbles.

Five Western players earned MRL Defensive Player of the Week accolades, the honor going to a Viking four of five weeks during mid-season.

Western held Whitworth to 51 total yards in a 45-0 shutout, the Vikings' best effort since limiting PLU to 48 yards in 1950, and set a school record by holding Puget Sound to minus-1 yard rushing.

Christensen had 73 tackles – including 11 for losses of 40 yards – knocked away eight passes, and had three interceptions.

Easley topped the CFA in tackles for losses with 20 for 98 yards. He also forced three fumbles and recovered three. Nine of those tackles for losses were sacks, also a team high.

"Scott (Easley) usually required two offensive players to block him, so he really solidified our middle and opened things up for our linebackers and defensive ends," said Smith. "He really picked things up in mid-season, and that allowed our defense to become that much more successful."

"When you look at the fact that in five of 11 games we held our opponents without a touchdown – and this is a very offensive league – that's a tremendous accomplishment."

Sweat, a transfer from NCAA Division I East Carolina, led Western defenders in tackles with 100 – including 10 for losses – and earned Defensive Player of the Game honors in the national playoff win over Linfield.

"Mike (Sweat) became our presence in the middle, which was something we lacked," Smith stated. "Once he became comfortable, our defense really started to click, and we started to see the results statistically.

Malo tied for the CFA lead and ranked fifth nationally in pass interceptions with seven, defensed 12 others, and blocked three kicks. He intercepted one pass in four straight games during one mid-season stretch.

"It was good to see how well Greg (Malo) did during the season," Smith recalls. "Basically, we challenged him and told him what we needed, and he responded."

"In previous years, we've had defensive backs lead the team in tackles, and you don't want that," said Smith. "It's much more gratifying to see one of our defensive backs be among the national leaders in interceptions."

Junior cornerback Orlondo Steinauer – bothered by a knee that was seriously injured in the season's second game – ranked fourth nationally (15 for 196, 13.1) in punt returns. He was a first-team all-CFA pick and second-

team Little All-Northwest choice, both for the second time, and set a school record against Western Oregon by returning punts for 115 yards.

On offense, the Vikings had two rushers gain over 600 yards for the first time in the school's history and had two pass receivers make 40 or more catches for the first time since 1985.

Stiles passed for 1,964 yards and 17 touchdowns. He became the Vikings' career leader in yards passing (5,557) and touchdown passes (50), and moved up to second among Western career leaders in total plays (900), total yards (5,252), pass completions (424), pass attempts (788), and completion percentage (53.8%)

Jason had a very solid year, and he continued to grow in the offense throughout the season," Smith said. "During the Linfield (playoff) game, he really took command and showed the kind of poise that we expected out of a three-year starter."

Backup quarterback Darren Erath, a redshirt freshman, completed 30 of 53 passes for 301 yards and two touchdowns.

Brunaugh, bothered most of the campaign by a severe ankle sprain, and Frazier rushed for 846 (4.5 apc, 10 TDs) and 650 (5.0 apc, 7 TDs) yards, respectively. Brunaugh, who climbed to third among Viking career leaders in both rushing with 2,946 yards and points scored with 174, was named Offensive Player of the Game in the playoff win over Linfield, running for 184 yards and two touchdowns.

"It was a frustrating season for Jon. He wasn't 100 percent for most of the season, but when he was healthy . . . You saw what he's capable of in the Linfield win, when he really took control of the game."

"It was a frustrating season for Jon (Brunaugh)," Smith said. He wasn't 100 percent for most of the season, but when he was healthy... You saw what he's capable of in the Linfield win, when he really took control of the game.

"The plus side of Jon's injury was that it enabled John Frazier to step forward and show his talents," Smith added. "It's a luxury to have two first-team all-league running backs."

Meek made 47 catches for 550 yards and five touchdowns. He finished his career second among Western reception leaders with 122 for 1,619 yards and 16 touchdowns – one touchdown catch short of the school record. Meek tied a school record with three touchdown receptions versus Whitworth and caught 10 passes for 107 yards against Simon Fraser – the first time a Western player had double-figure catches in a game since 1989.

Meek was also named to the GTE/CoSIDA Academic All-America District VIII Football Team.

Teammate Kevin Palmore, a junior, had 43 catches for 491 yards and five touchdowns, and was honorable mention all-CFA. Junior Chris Nicholl caught 24 passes for 379 yards and four touchdowns. In all, eight Western players had 10 or more receptions.

Sophomore Wade Gebers, also a second-team all-league choice, tied for eighth nationally and led the CFA in kick scoring with a 5.3 average (58 points). He established Viking season records by making 34-of-39 PATs. Gebers also was successful on 8-of-15 field goals, connecting from 44 and 37 yards in the PLU playoff game.

"Wade showed a great deal of improvement throughout the year, culminating in the PLU playoff game, where he showed his capabilities by hitting two critical field goals," Smith said.

Rounding out Western's second-team all-CFA selections were senior kick returner Stacy Avila, sophomore strong safety Randy Carter, sophomore cornerback Michael Johnson, and freshman defensive end Mark Spencer. Avila averaged 23.9 yards on 14 kickoff returns, including a long of 69 yards. Carter was credited with 55 tackles and had four pass interceptions. Johnson had 48 tackles and two interceptions. And Spencer was credited with 36 tackles and two fumble recoveries.

Honorable mention all-CFA recognition with to five seniors: center Chad Johanson, linebacker Chris Keeffe, defensive tackle LaMarco Mitchell, cornerback Mike Rillo, and defensive tackle Paul Selle.

The Vikings scored 24 unanswered points in the second half, lighting up the scoreboard on four of five possessions, after being tied, 7-7, at halftime.

Quarterback Jason Stiles threw two TD passes as he became the school's all-time career leader in that category. He found wide receiver Jeff Starr from 28 yards out for the go-ahead touchdown midway through the third quarter, then hit Mario Casello with an 18-yard scoring strike late in the final period.

Brunaugh scored the game's first touchdown on a 3-yard run in the second quarter. Wade Gebers kicked a 30-yard field goal and fullback Stacy Avila plunged over from one yard out to complete Western's scoring.

WOSC's only touchdown came in the second quarter, quarterback Brian Traeger passing 16 yards to tight end Mike Peterson. The Wolves missed an opportunity to lead at halftime when Peterson dropped a potential 29-yard scoring pass with one minute left in the second quarter.

Western cornerback Orlondo Steinauer returned seven punts for a school-record 115 yards and slotback Eric Meek had five pass receptions for 74 yards.

Western netted only six yards rushing, had three kicks blocked, turned the ball over five times and allowed seven quarterback sacks in its home opener and CFA inter-league matchup between two NAIA Top 10-ranked teams. Leading the defensive effort for No.6-rated Linfield was linebacker Darrin Causey with 12 tackles, including four quarterback sacks for minus-29 yards, and outside linebacker John Brown, who intercepted two passes and recovered a fumble.

Linfield scored on its first possession of the game, Justin Mena reaching the end zone on a 13-yard run to cap a 75-yard, 12-play march. A blocked punt resulting in a safety and a 22-yard field goal by Brandy Alexander gave the Wildcats a 19-6 lead entering the fourth quarter.

Western running back Jon Brunaugh got the No.9-rated Vikings on the scoreboard late in the second quarter on a 4-yard touchdown run, but he sprained his right ankle on the play and missed the remainder of the game. John Frazier replaced Brunaugh and scored Western's other touchdown on a 1-yard run midway through the fourth quarter, cutting Linfield's lead to 19-12.

But Wildcats' running back Joey Rector, who had 105 yards on 20 carries, put the game away when he took an option pitch five yards for a touchdown with 2:03 left in the game.

Linfield quarterback Danny Langsdorf completed 18 of 27 passes for 228 yards, including a 20-yard TD pass to Josh Abdon in the second quarter. Wide receiver Kent Wagner had seven catches for 102 yards. Western quarterback Jason Stiles connected on 21 of 40 passes for 245 yards.

Western clinched its second national playoff berth in three years by winning the CFA-MRL and Homecoming game. It was the first time since 1991 (29 games) that Central had failed to score a touchdown in a game and the first time in a regular-season contest since 1986. Western held Central quarterback Jon Kitna, the country's third-leading passer (292.3 avg.), to 196 aerial yards.

The Vikings intercepted four passes, broke up eight others, and sacked Kitna five times for minus-46 yards as they held Central to 274 total yards. The Wildcats were averaging 434.1 yards and 35.1 points coming into the contest.

After Central's Ryan Bishop kicked a 29-yard field goal late in the first quarter, Western drove 65 yards on 12 plays, quarterback Jason Stiles finding wide receiver Kevin Palmore with an 11-yard touchdown pass two minutes into the second period. On the Vikings' next possession, Wade Gebers kicked a 34-yard field goal to give Western a 10-7 halftime lead.

Central reached the Western 10-yard line early in the first quarter before an interception by free safety Greg Malo. The Wildcats' deepest penetration in the second half was to Western's 30-yard line where Kitna was sacked for a 15-yard loss by end Coley Beaman. That was followed by an interception by strong safety Randy Carter, ending the threat. Malo, who was named MRL Defensive Player of the Week, also blocked a Central punt and broke up three passes. Linebacker Tim Hanson and cornerback Mike Rillo also had pass thefts for Western. Tackle Scott Easley had two quarterback sacks for minus-13 yards.

Western 21, Linfield 2 • at McMinnville, Oregon

Running back Jon Brunaugh ran for 184 yards and two touchdowns and the Viking defense held the CFA's top offense to 122 yards as No.9-ranked Western shocked No.1-rated Linfield in the first round of the NAIA playoffs. Linfield's only points came on a safety with 4:34 left in the game when Western punter Erik Morin intentionally ran out of the end zone.

It was the Vikings' first national playoff victory and snapped an eight-game Linfield winning streak. Western's win avenged a 26-0 loss at Linfield in its only other national playoff appearance in 1992 as well as a 25-12 loss to the Wildcats earlier in the season at Bellingham. The Vikings had 169 net rushing yards against a Linfield defense that ranked No.1 nationally against the run, allowing only 36.1 yards per game.

Brunaugh, who suffered a severely sprained ankle in the first meeting with Linfield that hampered him for most of the season, scored on a 53-yard run in the third quarter and on an 8-yard run in the fourth quarter. That gave Western a 21-0 lead. Brunaugh was named Offensive Player of the Game.

The Vikings led 7-0 at halftime, quarterback Jason Stiles throwing a 54-yard touchdown pass to wide receiver Eric Meek in the second quarter. Stiles passed for 147 yards, completing 15 of 23 attempts. Meek had six catches for 81 yards. Wade Gebers kicked all three extra points for Western.

Western's defense held the CFA's No.1 offense to 28 yards rushing and 94 yards passing. The Vikings intercepted two passes and had three quarterback sacks. Free safety Greg Malo intercepted a pass for the fourth straight game. Linebacker Mike Sweat had a team-high 12 tackles for Western, including two for losses. 1923-24 - Back-to-Back Tri-Normal Titles

In the early years of Western football, the Vikings claimed a pair of Tri-Normal League titles.

The 1923 season was a watershed one for the then-named Bellingham State Normal School, as the school opened an on-campus facility, Waldo Field, adopted the Viking nickname and posted a 3-0-2 record for coach Sam Carver.

With interim coach Elwood Davis at the helm in 1924, Bellingham Normal went 4-2, with the only losses being to the University of Washington Frosh and Super-Varsity.

Bellingham was in the Tri-Normal Conference with the other state normal schools at Ellensburg and Cheney, the forerunners to Central Washington and Eastern Washington.

1938 - Lappy's Boys Go Undefeated

Western has had only one undefeated, untied football team in its history. That was in 1938, when the Vikings of coach Charles "Lappy" Lappenbusch posted a 7-0 record.

The toughest game of that season was the last, a 7-0 victory over Eastern Washington. It had been 11 years since the Vikings had beaten the Savages, but two long passes by Link Sarles got Western a second-quarter touchdown that stood up. The Vikings preserved the victory by stopping Eastern on four plays inside the two-yard line in the third quarter.

It was appropriate that the Vikings scored through the air. They threw 15 to 20 times a game in an era when most teams used the pass as only a desperation device.

Lappenbusch coached 20 years at Western, posting an 81-62-15 record. He was nationally-recognized for his Straight Line Philosophy, the centerpiece of which was, "If you don't know what you're doing, get out of the way!"

1951 - Vets Lead Viks to Tie for Crown

In the post-war years, Western had some powerful football teams. One of the best was the 1951 squad, which posted an 8-1 record and finished in a three-way tie for the Evergreen Conference title.

The only blemish on the Vikings' record that season was a 14-0 loss to Pacific Lutheran. Otherwise, Western was almost unstoppable. The defense had three shutouts and the offense scored over 50 points three times.

The leader of coach Charles Lappenbusch's troops was World War II veteran Norm Hash. Hash, a bruising fullback, earned honorable mention Associated Press Little All-America status. He scored 11 touchdowns, and with kicking duties added in, had 86 points. Those records stood until Scott Lohr broke them in the last two seasons.

The defensive captain was Art Larsson, a 250-pound lineman from Anacortes, another veteran. Larsson and Hash each earned honorable mention United Press International all-Coast honors, as did halfback Roy Richardson, end Pete Muir and linebacker Dick Pangallo.

1958 - Vikings Overcome Injuries for Title Tie

In 1958, Western went 6-2 and tied for the Evergreen Conference title despite playing most of the season without its top player, halfback Fred Emerson.

Emerson, an honorable mention Little All-American the year before, suffered a knee injury in the second game and saw limited action the rest of the season.

He did, however, play a big role in a 19-18 victory over Central Washington, coming off the bench to key a 96-yard drive in the last four minutes for the winning touchdown.

Coach John Kulbitski's Vikings needed a win or a tie in their last game to win the conference championship outright, but lost to Puget Sound, 14-0.

Guard Ed Melbourne earned honorable mention Little All-America honors. Melbourne and halfback Dennis Sheppard were all-conference selections.

1969 - Fog & Defense a Winning Combo

In 1969, Western posted a 5-4 record and tied for the Evergreen Conference championship with a 4-2 mark. The Vikings did it with a stifling aggressive defense and an opportunistic offense.

In a 19-16 triumph over Eastern Washington, a thick fog that had shrouded Civic Stadium nearly the entire game lifted for Western's final drive. The Vikings scored the winning touchdown on a 13-yard pass from quarterback Glenn Hadland to split end Gary Aagaard on a fourth-and-ten situation with 1:14 left.

At Spokane against Whitworth, Western pulled out a 28-21 victory when outside linebacker Jerry Kelly intercepted a pass and returned it 54 yards for the winning touchdown with 11 seconds left. The Pirates had led 21-19 with 2:18 remaining when defensive end Mike Tasker blocked a punt, the ball bouncing through the end zone for an automatic safety to tie the game at 21-all.

Against Central Washington, the Vikings won 15-12 as linebacker Rocky Hughes picked off a pass on the Western 20 with 25 seconds remaining. Moments before the Vikings had stopped Central on downs at their own 15.

Leading the stop squad was Little all-Northwest safety Vic Randall, who had eight of his school-record 26 pass interceptions during the campaign, and honorable mention NAIA All-America tackle Butts Giraud.

1971 - First & Only Outright EvCo Title

Western played 37 years of football in the Evergreen Conference. During that time, the Vikings won only one outright conference championship, that coming in 1971.

The 1971 squad posted a 7-3 record and was 6-0 in the Evco. Leading the way were running back Tom Wigg and quarterback Glenn Hadland. Wigg rushed for a then-school record 1,176 yards and Hadland passed for a then-record 1,475 yards.

The defense was also tough, allowing only 12.1 points a game and recovering 27 fumbles.

Wigg was a second-team United Press International all-Coast selection, as were defensive back Kevin Halliburton and offensive lineman Jeff Michaelson.

1976 - Never Say Die

Six games into the season, the 1976 Vikings could have folded the tents. With a 3-3 record, Western seemed headed for a mediocre year. Instead, comebacks were the order of the day.

The Vikings won their last three regular-season games, coming from behind to win with touchdowns in the last two minutes on all three occasions, including a 28-21 victory at Southern Oregon in the season finale. In that game, Pat Locker ran for 225 yards and three touchdowns, including the game-winner from 11 yards out with 28 seconds left.

Western then faced Pacific Lutheran in the first-ever NAIA District 1 championship game and crushed the Lutes, 48-28, as quarterback Bill Mendelson passed for three touchdowns and Locker ran for 158 yards and threw a 40-yard touchdown to Jeff Potter on a halfback option play.

Mendelson, a senior, and Locker, a freshman, were the stars of a high-powered Viking offense that season. Mendelson passed for 1,773 yards and 16 touchdowns. Locker rushed for 1,340 yards, then a school record, and was named an honorable mention NAIA Division I All-American. Six players from the offense - Mendelson, Locker, center Andy Harlin, guard Scott Stokes and wide receivers Jeff Potter and Hoyt Gier - were named to the all-Evergreen Conference team.

Western Football: Rich in Tradition

Western played its first football game in 1903. Since then, there have been numerous great seasons, outstanding personalities and superb performances.

The high point of Viking football probably came in 1938, when Western went 7-0, still the only time the gridiron squad has gone undefeated and untied in a season.

Other great years include the 8-1 1951 and 8-3 1994 campaigns, and the 7-3 seasons of 1971, 1976 and 1992. The 1951 and 1971 teams won league titles, the 1976 squad took the NAIA District 1 championship with a 48-28 victory over Pacific Lutheran, the 1992 team made the school's initial national playoff appearance, and the 1994 squad took a first-ever playoff victory. In 1989, the Vikings finished 7-2 and were ranked in the NAIA National Poll for the first time.

Western has had some tremendous coaches through the years. Sam Carver virtually built the Viking athletic department. Charles Lappenbusch and his straight-line philosophy earned national recognition. Boyde Long guided Western through some excellent years in the early and mid 1970s. Rob Smith continues that tradition of fine leadership.

And of course, there have been the terrific players. Like Pat Locker, the first player in the history of collegiate football in the Northwest to rush for 4,000 yards in a career. Steve Richardson, Peter LaBarge, and Bill Christensen – Western's only first-team NAIA All-Americans. Dave Weedman, the only Viking to be drafted by the NFL. The list goes on: Dick Bruland, Fritz Chorvat, Bob Tisdale, Everet Tiland, Willis Ball, Fred Emerson, Vic Randall, Norm Hash, Bob Tisdale, Butts Giraud, Tom Wigg, Scott Lohr, and so many others.

Today, the tradition continues with the players and coaches becoming a part of Western football folklore.

1995 Preview

Despite success, Vikings want to accomplish more

The last three seasons have been some of the most successful years in the history of Western football.

The Vikings have gone 21-9 over that period, making two NAIA Division II national playoff appearances and last year going 8-3, winning a national playoff game for the first time with a 21-2 opening-round triumph over No.1-ranked Linfield College, and being ranked No.9 in the final national poll.

Going back a little further, Western has posted four consecutive winning seasons, the longest such streak since the 1920s, and has had seven winning seasons in the last eight years, a string of success approached only in the period immediately following World War II.

But for all the successes and accomplishments of the past few years, there is still more to be done.

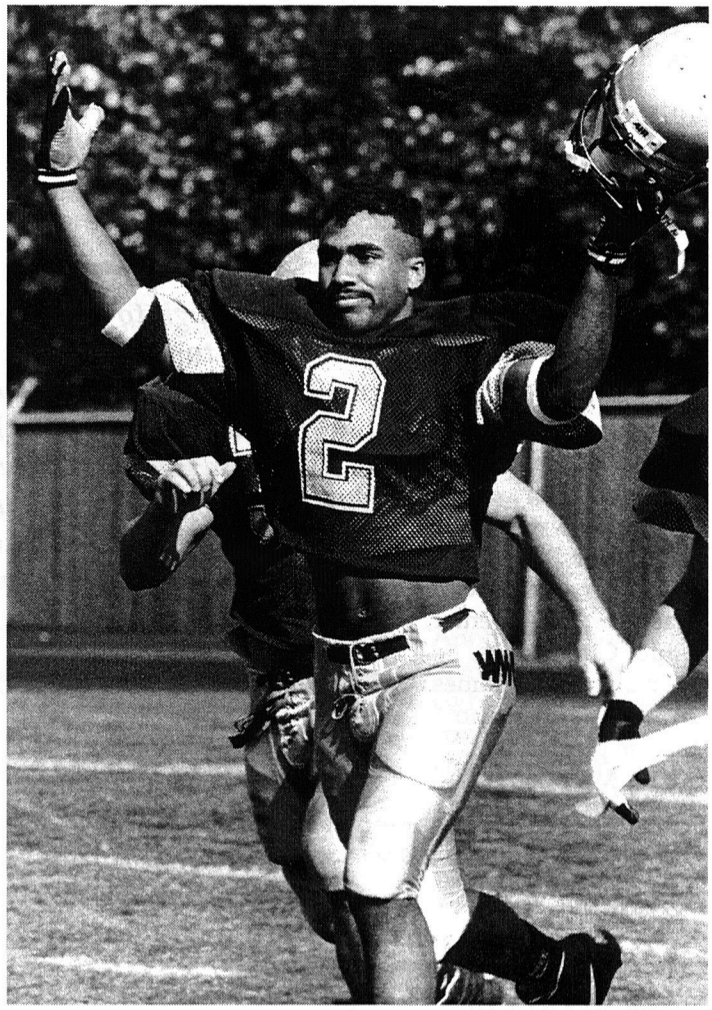

"For as much as we have accomplished, there's still a lot that we haven't," said Western head coach Rob Smith. "That's what we're setting our sights on."

One of those goals would be winning a first-ever Mount Rainier League (MRL) championship in the Columbia Football Association (CFA). Another would be contending for, and perhaps winning, a national championship.

"From day one, we've talked about having a team that could compete for a national championship," Smith said. "That remains the number one priority. We hope to keep making progress and one day realizing that goal. That's a lot more realistic now than it was a few years ago."

The Vikings are ranked No. 6 in the official NAIA preseason poll and have been rated among the top four in three unofficial polls conducted by national publications. They are also picked in a preseason coaches poll as the MRL favorite.

Heading the charge this season are six seniors who have been starters throughout the three-year run of success, five of whom play on offense. The one defensive player is cornerback Orlondo Steinauer, selected by *Bob Griese's College Football Yearbook* and *College Sports Magazine* as a preseason NAIA All-American.

Orlondo Steinauer

The offensive starters are quarterback Jason Stiles, the school's career leader in passing yardage and touchdown passes; running back Jon Brunaugh, Western's leading rusher and scorer each of the past three seasons; tackles Travis Cruse and Joe DeShaw; and tight end Christian Evans. Brunaugh, Cruse, and Stiles were all *College Sports Magazine* preseason All-Americans.

"Our seniors are a good group of quality individuals," said Smith. "You want to see this group succeed because they deserve it. We've looked forward to this season for a long time. They know what it takes to win and what's involved."

The seniors are just the starting point for a very deep squad. A total of 35 letter winners return, and there's at least one letter winner on the depth chart at every position.

Here's a position by position look at the Vikings.

OFFENSE

The depth is particularly apparent here. Eight starters return, and seven of them have started for two or three years. The second unit, which includes a first-team all-CFA pick and a former state high school player of the year, could probably do pretty well on its own.

LINE

In Cruse and DeShaw, Western has a pair of bookends at the tackles. Both earned first-team all-league and Little All-Northwest honors last year, and Cruse was an honorable mention NAIA All-American.

The talent between those two is pretty good, too. Junior Doug Mirkovich started every game at guard, and junior Todd Walcker was a part-time starter. At center, junior Chris Jaross, who started six games in 1993, returns, and will be pushed by junior Matt Cross.

"We feel good about our top two units," Smith said. "The offensive line is a key to our offense and potentially this is a very good group."

Additional depth is provided by letter winner Jim Barth, a junior, and two junior transfers – Bill Hatchett from Walla Walla CC and 335-pound Matt Tornetta from Cheyney State University in Pennsylvania. Redshirt freshmen Greg Bell and sophomore Tim Kauth may also contribute.

TIGHT END

Evans missed half the season with a knee injury, but still had 13 receptions for 131 yards after making 23 grabs and earning second-team all-league honors in 1993. Also back is junior Ryan Lahmann, who made four starts in Evans' absence and had seven catches, including one for a touchdown.

"Christian (Evans) is healthy and fully recovered," said Smith. "He brings a lot of experience. We've got two tight ends who are threats, with the ability to run routes and run after the catch."

It's nice enough to have one all-league player, but to have two at the same position, as the Vikings do in (senior Jon) Brunaugh and junior John Frazier, is truly amazing. Both were first-team all-league selections last year, with Brunaugh getting first-team Little All-Northwest honors and Frazier being chosen to the second team.

QUARTERBACK

Stiles has started every regular-season game the past three years, throwing for 5,557 yards and 50 touchdowns. He threw for 1,964 yards and 17 scores last season. He has been the starter for more victories than any other quarterback in school history and has twice been a second-team all-league selection.

"Jason has accomplished a great deal," said Smith. "He's a pure pocket passer. He's very intelligent, he understands not just our system, but he recognizes defenses. His low interception rate speaks highly of his decision making."

Stiles is only part of the quarterback story, however. Sophomore Darren Erath, a former state high school player of the year, saw action in every game, throwing for 301 yards and two TDs. His mobility provides a change of pace.

"He's a riverboat gambler," Smith said of Erath. "It's important for him to get out of the pocket and make things happen. He lacks Jason's experience, but that comes with time.

"It's comforting to have two quality players at that position." said Smith. "It's a very nice problem to have and it sure beats the alternative."

Redshirt freshmen Sam Hanson and Kurt Kacer, and transfer freshman Erik Buhl will battle for the No.3 spot.

RUNNING BACKS

It's nice enough to have one all-league player, but to have two at the same position, as the Vikings do in Brunaugh and junior John Frazier, is truly amazing. Both were first-team all-league selections last year, with Brunaugh getting first-team Little All-Northwest honors and Frazier being chosen to the second team.

Brunaugh is third in career rushing at Western with 2,946 yards, and has rushed for 100 yards or more 13 times. He rushed for 846 yards and 10 touchowns last year despite being slowed by a severe ankle sprain.

Frazier ran for 650 yards and seven scores, and also was a receiving threat with 11 catches for 111 yards and a touchdown.

Brunaugh is more the inside, cut-back runner, Frazier tends to use speed to turn the corner. Both, however, are versatile enough to do the opposite.

"If you polled the coaches in the league on who gives them more trouble, they'd probably be evenly split," Smith said. "They both have the capability to take it the distance on any play. We need to find ways to get both of them on the field with the ball in their hands 20 times a game."

Behind them is sophomore Eric Butler, a speed back who Smith says could probably start on many teams.

When Western uses a fullback, senior James Bible, a standout on special teams, is likely to get the call. He rushed for 61 yards and a touchdown last season.

RECEIVERS

Senior starters Kevin Palmore and Chris Nicholl return in Western's three-receiver-based offense, as does part-time starter Mario Casello, a junior.

Palmore had an outstanding year, catching 43 passes for 491 yards and five TDs and earning honorable mention all-league honors. Palmore is slated to move into the slot position vacated by four-year starter Eric Meek.

Nicholl, who had 24 catches for 379 yards and four touchdowns, provides a deep threat. He has scored seven TDs on 36 career receptions, averaging 17.2 yards a catch. Casello, who figures to fill the other wide receiver spot, is the team's best route runner and had 13 catches for 155 yards and two touchdowns.

The lone returning letter winner among the backups is sophomore Adam Foster, who is the best blocker among the receiving corps. He had two catches last season, including a 31-yarder against Pacific Lutheran.

Sophomores Matt Williamson and Ryan McGowan saw limited action last season and redshirt freshman Josh Evans was the scout team Offensive Player of the Year.

There will be a lot of competition for playing time," Smith said. "Each guy has certain strengths and there's a lot of combinations we could use."

DEFENSE

Defense was the Vikings' strong suit last season, as they led the nation in scoring defense (12.5) and held their opponents without a touchdown in five games. Six starters return, but the losses were big ones.

"We have some holes to fill, but we also have experience," Smith said. "The key to our defense is who fills those holes and how quickly the unit comes together."

LINE

The end spots are solid. Junior Coley Beaman started eight games last season on the strong side, making 24 tackles, including a sack. On the other side, the development of sophomore Chad Rorabaugh has allowed second-team all-league pick Mark Spencer, also a sophomore, to be moved to linebacker. Rorabaugh made just three starts, but also had 24 tackles, six of them sacks, and batted down two passes. The likely backups are redshirt freshman Kelly Hansen, who has been sidelined much of the last two seasons with injuries, and Pat Pintar, a redshirt freshman transfer from the University of Montana.

The tackle spots are a bit more open. Sophomores Jeff Vogel and Rich Phillips both lettered as backups last season. Each had two sacks. They'll be pushed by redshirt freshman John Bergford, non-letter winner Mike Kight, a sophomore, and transfer junior Matt Murray from Walla Walla CC.

"Fall camp will be extremely important," Smith said. "I believe we'll be okay there. We've rotated linemen in the past, so we've got some experience there."

"We have some holes to fill, but we also have experience. The key to our defense is who fills those holes and how quickly the unit comes together."

LINEBACKERS

Middle linebacker Chris Bishop, a senior, is a three-year letter winner who didn't start a game last season, but still had 27 tackles, an interception and four passes defensed. He started every game in 1993.

Another possibility is Spencer, who started eight games at the rush end spot last season, and scored a touchdown on a fumble recovery.

At the other linebacking spot is junior Tim Hanson, who had 10 of his 50 tackles behind the line of scrimmage. Hanson also had two interceptions and a fumble recovery. Both Hanson and Bishop scored touchdowns on interceptions.

The rover linebacker spot is open with the graduation of first-team All-American Bill Christensen. Two-year letter winner John Wambaugh, a junior, has the inside track.

Redshirt freshmen Tony Carr and sophomore Adam Mathieson, who moved from cornerback, lead the backups.

"Depth is a concern," said Smith. "Someone needs to step forward."

It is also possible a true freshman like Andy Harris or Josh Graham could end up seeing time at one of the linebacking spots.

BACKS

This area looks to be the strength of the defense.

Steinauer, who was slowed by a knee injury most of last season and had surgery in December, should be ready in the fall. He was an honorable mention All-American in 1993.

"He brings us experience and leadership," Smith said. "He makes the others around him a little bit better."

The other corner, junior Michael Johnson, earned second-team all-league honors, making 48 tackles and two interceptions. Smith says Steinauer and Johnson may be the two best corners in the MRL. The top backup is letter winner Paul Delaney, a sophomore. A freshman who may see action is Albert Mitchell.

At free safety is junior Randy Carter, twice a second-team all-league pick who has started every game during his career at Western. Carter is the team's leading returnee in tackles with 55. He also intercepted four passes and broke up seven others. The top backup is junior Jeremy Hader, who returned an interception 70 yards for a touchdown against Simon Fraser.

Junior Isaac Blum, who played 11 games as a backup last year, is slated to start at free safety. Behind him are rapidly improving reshirt freshman Mike Williams and senior letter winner Paul Rasmussen.

SPECIAL TEAMS

Placekicker Wade Gebers, a junior, earned second-team all-league honors and led the CFA in kick scoring with a 5.3 average (58 points). He set school single-season records for conversions and conversion attempts, going 34-of-39, and he also hit eight-of-15 field goals, with his longest make being a 44-yarder against PLU in the playoffs.

Sophomore Erik Morin, a backup safety, returns as the punter and Mirkovich will handle the long-snapping duties for the third straight year.

Steinauer averaged 13.1 yards on 15 punt returns last season. Johnson averaged 26.2 yards a kickoff return last year and has averaged 25.3 yards on 16 career returns.

The cover teams, always a Western strength, are led by Bible.

"Special teams are an area we emphasize," Smith said. "We've been fairly solid there over the last few years."

ADDENDA

The CFA has been realigned into public and private divisions this season. Westerns remains with Central Washington and Simon Fraser in the MRL, and entering the league are Eastern Oregon, Southern Oregon and Western Oregon.
